Services available	
Students with visual impairment	- Converting books or notes in any file the student is using to study (text to speech, print them in Braille etc)
Students with hearing disabilities	- Interpretation in Greek Sign language everywhere in the campus of our University during working hours. - Unfortunately we do not provide interpretations in other foreign sign languages.
Students with mobility disabilities	- We provide transportation to students with mobility disabilities from their residences to the campus and vice versa in an everyday basis.
Services to all students	- blood donation days - connect students with other institutions so that they will be given the professional care they need depending on their issue.
