

Erasmus+ Programme

Key Action 1
- Mobility for learners and staff -
Higher Education Student and Staff Mobility

Inter-institutional agreement between programme countries

Agreement duration: 2014 - 2016

The institutions named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects related to the organisation and management of the mobility, in particular the recognition of the credits awarded to students by the partner institution.

For more details on the language of instruction recommendations, see the course catalogue of each institution

D. Additional requirements

1. Aristotle University of Thessaloniki:

Courses at Aristotle University of Thessaloniki are normally taught in Greek. However, there are courses in other languages too, especially at the Foreign Language Faculties, Faculty of Law (courses in English, French and German language), School of Journalism & Mass Communication, and School of Economics. In all other cases, there are special arrangements for LLP/Erasmus students, such as assignment of essays in English with the use of English bibliography in small groups of students.

Information concerning courses and other academic matters can be obtained at the web site of the University <http://www.auth.gr/en/faculties>

Greek Language courses for Erasmus+ students

There are courses organized specifically for Erasmus+ students with the support of the EU at the beginning of each semester: in October and in March (beginners' level). Moreover there are on-line courses at the beginning of each semester.

You can find more information at the School of Modern Greek Language of AUTH:

Students with disabilities

Social and Health Policy Committee of AUTH was established in 1997 with the aim to facilitate students with disabilities. Services have been developed and updated according to European and

Inter-institutional agreement between programme countries

International standards. There are several fields that Social and Health Policy Committee is getting involved, always aiming to make student life easier so that all students can focus on their academic demands.

Services available	
Students with visual impairment	- Converting books or notes in any file the student is using to study (text to speech, print them in Braille etc)
Students with hearing disabilities	- Interpretation in Greek Sign language everywhere in the campus of our University during working hours. - Unfortunately we do not provide interpretations in other foreign sign languages.
Students with mobility disabilities	- We provide transportation to students with mobility disabilities from their residences to the campus and vice versa in an everyday basis.
Services to all students	- blood donation days - connect students with other institutions so that they will be given the professional care they need depending on their issue.

Social and Health Policy Committee is always personalizing its services adjusting them to the needs and wills of every single student.

be held responsible in case of a conflict."

F. Information

1. Grading systems of the institutions

Aristotle University of Thessaloniki:

A scale of 1 to 10 applies to the marks of each subject in the Hellenic Higher Education

8,5-10	Άριστα (Arista) - Excellent
6,5-8,49	Λίαν Καλώς (Lian Kalos) - Very Good
5,00-6,49	Καλώς (Kalos) - Good
0-4,99	Ανεπιτυχώς (Anepitychos) - Fail

Université Joseph Fourier Grenoble 1

The academic year is on a semester basis with each semester worth 30 ECTS as defined in the Bologna agreement of the European Higher Education System.

Grades are on a scale from 0 to 20 where 10/20 is the average passing grade.

However, in the French academic system, grades are viewed as a whole set for a semester which means that it is not only the individual grade in a given class that must be considered but the set of grades for a semester.

At the Bachelor's level, the average of all classes in a semester must be greater than or equal to 10/20.

At the Master's level, the overall average for all classes in a semester must be greater than or equal to 10/20 **AND** all individual class grades must be greater than or equal to 7/20. For Engineering degrees the average is actually 7/20 instead of 10/20.

In addition, grades in a class are a combination of knowledge based grades and competencies. Hence it is not strictly the rule that is to be learned but the concept behind it must be understood as well.

The following grading table reflects the way grades are given at UJF for a semester. Although very high grades are seldom given for classwork, grades for practicals, labs and internship rarely go below 10/20.

18-20	Very uncommon (approx. 1 out of 1000 students). Brilliant and exceptional results
16-18	Outstanding performance, first-rate results
14-16	Very good to excellent results.
12-14	Good to very good results
10-12	Passing to satisfactory results
10	Lowest passing grade: standard has been met but with a number of notable errors
< 10	Fail, further work required

Hence a student with a grade above 12/20 is considered to be a good student while a student with 14/20 or above is a VERY good student.
