Courses offered via *Language Facilitation:

Although **Greek is the official language of instruction at CUT**, aside from the programs taught and offered in English, incoming students are given the option of one to one tutorials, project based assignments, given bibliography and exams for courses that are pre-agreed with the academics in the relevant departments, although taught in Greek, are provided with facilitations in English.

Course Catalogue 2018 - 2019

Academic courses offered by the CUT's Departments in English or via facilitation. Please be careful as to whether the courses run in autumn or spring term.

Detailed requirements and additional information

Recommended language skills -Language of Instruction

Incoming students are expected to have knowledge of the English language up to level B2 at least. They should include in their application documents official language examination certificates, such as TOEFL, IGCSE or a similar language proof. In case these are not available the students must present a certificate from their home university which verifies their knowledge of English Language up to level B2 and at the same time indicate the courses and level of English attended on their Transcript of Records. It is up to the host department to decide whether this certificate is considered enough for the student's acceptance.

Greek and also other language courses (English, French, Italian, Spanish, German, and Russian) are available at the University's Language Centre .Incoming students are expected to attend the Greek Language course offered by the Language Centre of the University during the academic semester. **Greek language and Culture Course offers 4 ECTS (LCE 660).**

Level according to Common European Framework of Reference for Languages (CEFR) see:

<http://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>

Type of mobility	Subject area	Language(s) of instruction	Language of instruction level. Please indicate if it is recommended or mandatory.
Student Mobility for Studies/traineeships	all	English /Greek	Mandatory B2
Staff mobility	all	English /Greek	Mandatory B2

Also found at: <http://bit.ly/2GghaDm>

Decision Response

We will send our decision within 4 weeks.

Transcript of Records

A Transcript of Records will be issued no later than 5 weeks after the assessment period has finished at the respective department. Original transcripts of records will be sent both to the students and partner institutions after the end of each examination session.

Grading system at CUT- Grading Scale

The grading system is numeric from 0 to 10 rounded to the nearest half unit and 5 is the passing grade. He/she must satisfy the program requirements as described in the University's prospectus corresponding to the year of entry:

Grade Point	Meaning
9.5 – 10.0	Excellent with Distinction (Άριστα με Διάκριση):
8.5 – 9.49	Excellent (Άριστα)
6.5 – 8.49	Very Good (Λίαν Καλώς)
5.0 – 6.49	Good (Καλώς)
I	Incomplete
P	Pass (non marked course)
W	Official Withdrawal of course

Calculation of Semester Grade Point Average (GPA)

For each course, the number of credits is multiplied by the numerical value of the ordinal grade received to obtain the Points:

(Number of ECTS) X (Numerical (European) Value of the Ordinal Grade) = Grade Points

Then, calculate the semester grade point average by dividing the sum of grade points by the sum of the semester credits of Grade Points) / (Sum of Semester Credits) = Semester Grade Point Average

Visa

Contact person	Aristodimos Laniti (Staff) and George Nikola (Students)
Responsibility	Incoming Mobility
Contact details	Tel. : +357 25002044, E-mail : incoming@cut.ac.cy / erasmus@cut.ac.cy
Website	http://erasmus.cut.ac.cy/erasmus-data-sheet/

Housing

Cyprus University of Technology rents a number of flats /rooms, through subsidized rent, to students based on socioeconomic criteria. Furthermore, CUT has implemented a new housing policy the «Network of Associate Premises to CUT” since June 2012, a policy through which the University may be in specific cooperation to ensure rent to its current students. The Network supports fully equipped and furnished apartments evaluated by the University that meet specific conditions for ensuring CUT students a quality in residence standards and a defined amount of rent. The maximum rent is set to €420 a month for one bedroom apartment, €530 for a two-bedroom apartment while the rent for a three-bedroom apartment is €630 a month. Finally, the University offers assistance and guidance to all students who need housing through a list of rental houses / apartments/rooms available for the period of their enrolment which is constantly renewed. The Student Welfare Service advises students to pay attention to issues such as health and safety of the building before signing any agreement. Detailed information can be found on the website: <http://www.cut.ac.cy/studies/accommodation/accommodationNetwork/catalogue/>

A number of private accommodation options is also available at incoming@cut.ac.cy and at <http://erasmus.cut.ac.cy/erasmus-data-sheet/>

Student and Staff with Disability

The University is pleased to welcome students and staff with disability.

Please note that support services and infrastructure (i.e. accommodation) is subject to availability. The Student Development Center hosts three study-rooms for students with severe motion problems for group study, tutorial support and individual reading. A support study room also operates for people with disabilities that works with specialized educational assistive technology equipment including:

- Braille System
- Video Magnifier (magnifier Writing / Visual)
- Portable fm system for use by students with hearing problems
- Talking calculators
- Keyboards for use by students with motion problems
- Touch & Ball mouse for use by students with motion problems

All students with disabilities and health problems are entitled to the following facilities according to the Rules for supporting people with disabilities of the Cyprus University of Technology:

- Time extension of 30 minutes at the interim and final examinations
- Grade is not affected by spelling / syntax errors
- Support in the event of medical incidents
- Support in taking notes / taking examinations
- Assistant/Support in case of blind students/ students with quadriplegia
- Course Notes
- Class recording
- Individual examination in the room for people with disabilities
- Free tutoring support in two courses of their choice per semester

In order to join the Student Development Centre support program, students should provide the necessary medical certificates and afterwards they are being informed on everything they are eligible of depending on the problem they encounter.
