Accommodation

As in many university towns, the housing situation in Bonn is quite difficult. So **students are highly advised to apply very early for a room in a dormitory, but also to start searching for private accommodation as early as possible.**

The International Office of the University of Bonn itself does not arrange accommodation, but supports students with information and advice.

www.erasmus-en.uni-bonn.de → Housing in Bonn

<p>Student dormitories at the “Studierendenwerk”</p>	<p>For getting a room in a student dormitory, students should apply very early! online at https://tl1host.eu/SWBN/#home</p> <p>Students are highly advised to read our instructions how to apply beforehand: www.erasmus-en.uni-bonn.de → Housing in Bonn</p> <p>More Information: http://www.studentenwerk-bonn.de/wohnen/ Email: wohnen@studierendenwerk-bonn.de</p> <p>monthly rent: between 200 € - 550 €</p> <p>i Please note: The “Studierendenwerk” is not part of the University of Bonn itself and the International Office cannot influence their decisions.</p>
<p>Private housing</p>	<p>As a room in a dormitory of the Studierendenwerk cannot be guaranteed, students are advised to search for private housing at the same time.</p> <p>More information: www.erasmus-en.uni-bonn.de → Housing in Bonn</p>

<p style="text-align: center;">Formalities</p>	
<p>Passport / ID</p> <p>EU citizens</p> <p>Visa for mobility within the EU for third-country nationals – new regulations</p> <p>Exceptions</p>	<p>All students need a passport or identity card valid for the whole period of their stay</p> <p>Citizens of EU countries do not need a visa or mobility permission to study in Bonn.</p> <p>The rules on mobility within the EU applying to third-country nationals (Non EU/EFTA) for the purpose of studying have been eased. They do not need to apply for a visa any longer. If a student has already been issued with a residence title under the Directive on conditions of entry and residence (Directive 2016/801/EU) in another EU Member State, he or she may come to Germany and study here without applying for a German residence title.</p> <p>For that purpose, the International Office of the University of Bonn needs to send an appropriate notification to the German Federal Office for Migration and Refugees together with digital copies of the following documents which need to be provided by the student at least 2 months before coming to the University of Bonn:</p> <ul style="list-style-type: none"> • the residence permit issued by the first EU Member State (valid throughout the entire duration of the mobility), • a recognized, valid passport/replacement passport, • proof of subsistence (at least 735€ per month) • proof of health insurance <p>All documents should be in German or English. Other languages are not accepted The student is responsible to provide all the above mentioned documents well in advance (at least 2 months) to the International Office (erasmus-assist@uni-bonn.de).</p> <p>The member states Great Britain, Ireland and Denmark will not implement the Directive, thus, third-country nationals need to apply for a visa at the responsible German embassy or consulate there. This applies to students directly coming from third-countries as well.</p>

Insurances	
Health insurance	All students need sufficient health insurance: a) either the European Health Insurance Card or b) other private health insurance valid for Germany during the whole study abroad period covering all necessary costs
Liability insurance	We also recommend that students take out a third-party liability insurance to cover any accidental damages caused to other persons or property during their stay. The Erasmus+ program and the University of Bonn do not provide any of these insurances. The social contribution fee of ca. 295€, which students have to pay when enrolling, includes an insurance for accidents that might occur en route from the university to your place of residence or on university grounds.

Cost of living	On average: min. 800 € per month (depending on price for accommodation)
