Introduction

The **Catholic University of Eichstätt-Ingolstadt** (Katholische Universität Eichstätt-Ingolstadt, **KU**) is the **first and only Catholic university in the German-speaking world**. With about 5100 students, it is currently the smallest university in Bavaria. Being a small university, the KU provides an excellent environment for interdisciplinary exchange between, made possible by eight faculties, about 120 professors, more than 300 research associates and a large number of lecturers with practical experience.

Identity

The Catholic University of Eichstätt-Ingolstadt is a modern university with a long tradition. It has existed in its current form since 1980, but its roots go back to the year 1564 and the foundation of the Collegium Willibaldinum, the first priest seminary north of the Alps. The Ingolstadt School of Management (WFI) was added in 1989. Ingolstadt has an even longer tradition as a university town: Bavaria's first university was established there in 1472 with the Pope's approval.

The KU is a state-approved university that is supported by a Catholic foundation. The degrees and qualifications that the KU awards are equivalent to those issued by state universities in Germany. The KU welcomes students of all faiths and sees itself as an academic community that conveys knowledge and teaches social skills based on Christian values. Open dialogue and critical thinking are key characteristics of the University's community and of the learning and teaching that take place here. The KU sees knowledge transfer as its third academic mission alongside research and teaching. Constructive discussion with society has an economic, cultural, social, political and Christian dimension at the KU.

Information about the learning agreement

The learning agreement is a contract between the exchange student, the KU and the home university. It has to be signed BEFORE starting the semester at the KU.

Courses in Eichstätt are mainly taught in German. A comprehensive selection of courses offered in English is currently only available at the Faculty of Business Administration at campus Ingolstadt.

Students can find classes and courses on **KU Campus** (<https://campus.ku.de/>), our online course catalog. Overviews of our English-taught courses are available online (<https://www.ku.de/en/international/courses-in-english>). The finalized course catalog is usually confirmed **only a few weeks** before the semester starts (winter semester: early September; summer semester: early March).

If students need to finalize the learning agreement before, please use last year's courses initially. If anything needs to be changed, students can modify the learning agreement once they are here.

How to proceed with the learning agreement:

1. Students select the courses they would like to attend (from KU Campus & our website)
2. Students have their learning agreement approved (by signature) by their home university
3. Students send their document to the KU International Office (if this not done by the home university)
4. The respective Erasmus+ departmental coordinator will check and – in case of approval – sign the learning agreement and send it back to the International Office where we will sign and stamp it and send to the student (by e-mail)

How to change the learning agreement:

5. Students should discuss changes with their KU departmental coordinator and obtain their approval by means of a signature in their learning agreement
6. The International Office can confirm the approved changes and send the modified agreement to the home university. Please keep in mind the order of signatures, which is always 1. KU departmental coordinator, 2. KU International Office.
