### 2. Application deadlines for students

---

### 3. Lecture periods

Winter Semester: 19.10.2020 - 12.2.2021(Bachelor)  
19.10.2020 - 05.03.2021 (Master)  
Summer Semester: 19.04.2021 - 24.07.2021(to be confirmed)

---

### 4. Courses

Please remember that Bachelor students can choose only courses from our Bachelor programmes and have no access to the courses of our Master programmes. Exception: If students are enrolled in a 4/5-year

Bachelor/undergraduate programme and do their Erasmus exchange in their 4<sup>th</sup> year, they are allowed to take Master courses.

At the time when students have to fill in their learning agreement the course catalogues for the semester of their stay abroad is not yet published. To fill in the learning agreement we therefore recommend using the course catalogues from the year before and making a provisional choice. The catalogues for the coming fall semester will be published only in August of the respective year.

A few weeks before the semester starts we will send the updated course catalogue to all incoming students and ask them to check and confirm their selection. We will then try to book the places. However, it might happen that a course is already full booked with regular students. In this case we will offer alternatives. The learning agreement can be changed within 4 weeks after arrival in Freiburg.

Erasmus students can choose courses from the following programmes:

#### **BSc Waldwirtschaft und Umwelt (German)**

- [Overview](#) of subjects and modules
- Online [Course catalogue](#)

#### **BSc Umweltnaturwissenschaften (German)**

- [Overview](#) of subjects and modules More detailed module descriptions (only in German)
- [Online course catalogue](#) of the past semesters

#### **MSc Forest Sciences/ Forstwissenschaften (German and English)**

- [Overview](#) of the programme
- [Module](#) descriptions

#### **MSc Environmental Sciences/ Umweltwissenschaften (German and English)**

- [Overview](#) of the programme
- [Module](#) descriptions

### **5. Language requirements**

All our **Bachelor** courses are taught in German. To be accepted students need a German level of **B2**.

In our **Master** programmes, we have modules taught in German and English. Depending on the choice of modules Erasmus students have to submit a language proof in German or/and English with minimum **B2 level**. Our regular Master students have to prove a C1 level.

We recommend to be strict with language proofs. Our master courses are organised as a sequence of 3 weeks blocks with exams at the end of each block. This implies that students cannot develop their language skills throughout the semester, but have to be able to understand and to communicate right from the beginning.

### **6. Housing**

After registration students can apply online for [housing](#) in a student residence. If Erasmus students apply right away it is very likely that they get a place.

We hope that our information is helpful and we are looking forward to welcoming your students at our faculty. Please feel free to contact us for further questions.

Best regards,

Esther Muschelknautz and Mariana Calcagni
