If you arrive on the weekend you will receive your key from a key box. This service costs about 15 euros.
- Introduction weeks for international students: estimated April 4<sup>th</sup> (start at around 9 o'clock) until April 14<sup>th</sup>. These introduction weeks are obligatory.
- Free days before the lectures start: April 15<sup>th</sup> – April 24<sup>th</sup>
- Eastern: April 15<sup>th</sup> – April 18<sup>th</sup> (national holidays: April 15<sup>th</sup>, April 17<sup>th</sup>, April 18<sup>th</sup>)
- Classes begin: April 25<sup>th</sup> 2022
- Class End: July 29<sup>th</sup> 2022
- Final exam weeks: August 1<sup>st</sup> to August 12<sup>th</sup> 2022

#### 2. Breaks during the semester (no lectures)

- Pentecost break: June 7<sup>th</sup> to June 11<sup>th</sup> 2022
- National Holidays: May 26<sup>th</sup> (Ascension Day), June 6<sup>th</sup> (Withmonday), June 16<sup>th</sup> (Corpus Christi)
- On national holidays all stores in Germany are closed (also grocery stores). Restaurants however, are open.

#### 3. Procedure of the application

- 1. You are nominated by your home university, the PH Freiburg accepts the nomination.
- 2. Next, you must register on "Mobility Online". You will receive the link for this by e-mail at the beginning of June (for the winter semester) or at the beginning of December (for the summer semester). Here, you must enter your personal data and upload documents.  
Please Note: You can only upload the documents in the order as they are listed there. Once you have uploaded a document, you cannot delete it. If you have uploaded something wrong, please contact us.
- 3. Register on Mobility Online + complete personal information until: **15.12.2021**  
**(dd.mm.year -> German way to write a date = December 15<sup>th</sup> 2021)**
- 4. International office of the PH has to confirm this step
- 5. Next steps on Mobility Online: upload all documents (see question 4 for more information) up to „signed application form“ (please upload all pages of this document) until: **15.01.2022**
- 6. International office has to confirm again
- 7. Print admission letter (this contains information on the payment of the semester fee)
- 8. **For Erasmus Students and Swiss Students (SMP) and GJU Amman:**

Upload Learning Agreement “before mobility” (see question 4 for more information) until: **28.02.2022**

Please note: sometimes also Universities from the **worldwide** programs request a Learning Agreement.

9. Only applicable **if you want a dorm room**: upload your acceptance of your dorm room until **24.01.2022**

## 4. Documents you have to upload during your application

- **All students:**

- Passport Photo: you should upload a picture of the size of your passport picture. It doesn't have to be a biometric picture but it shouldn't be blurry and only your face should be visible in the picture.
- Language certificate that proofs that you have a **minimum of B2** in German or English. However, you will take part in a language test after your arrival here. The results of this test will be crucial for your course selection.

- **Only Erasmus students and Swiss students**

- Proof of health insurance= „EHIC“: Europeans usually already own a European health insurance card, this is normally your normal health insurance card where the back of it has to look like this:  
If your national health insurance card doesn't look like that you will have to request a “EHIC” from your national health insurance.
- Copy of your passport or ID
- Learning Agreement: (**for Erasmus, Swiss and GJU Amman**)

There is a Learning Agreement “before mobility”, “during mobility” and “after mobility”. You will receive the Learning Agreement from your coordinator of your home University. In this document you enter courses that you wish to take at the PH. For this you can have a look at our course catalogue from last year: <https://lsf.ph-freiburg.de/qiserverfr/rds?state=wtree&search=1&trex=step&root120192=93534%7C101513&P.vx=kurz&noDBAction=y&init=y>

Please note that you need a minimum of B2 in German or English to attend the normal courses! Enter the courses that you wish to take in the Learning Agreement “before mobility”, have it signed from your coordinator, sign it yourself and then upload it to “Mobility Online”. After your arrival we will help you with signing up for the courses. It might happen that you cannot take all courses like you were planning to. That is why there is the Learning Agreement “during mobility”. In this document you will then enter which courses you actually end up attending.

- **Only students of the worldwide program:**

- Copy of your passport
- Proof of health insurance: If you already have applied for an abroad health insurance for Germany in your home country, please upload it. We will verify if the insurance

meets the legal requirements of a German health insurance. We would recommend to conclude a health insurance with an insurance in Germany (e.g. TK, AOK, DAK, Barmer...).

Ms Sütterlin from the Techniker Krankenkasse will be happy to advise you on all your questions concerning a German health insurance ([lilli.suetterlin@tk.de](mailto:lilli.suetterlin@tk.de)). In December, Ms. Sütterlin will offer a zoom-meeting for the conclusion of a German health insurance.

Please note to you have to purchase a health insurance BEFORE your arrival in Freiburg, as you cannot be enrolled without a valid health insurance. Otherwise, the issuance of your access data for the campus management system and your PH card may be delayed.

## 5. Documents that you need for studying at the Pädagogische Hochschule Freiburg

- Admission letter
- Valid health insurance
- Valid identification papers (ID or passport and visa if applicable)

Please note: You are responsible for having all required documents.

## 6. Do I need a health insurance?

- **Erasmus and Swiss students:** You need proof that you are insured in your home country. If your health insurance card does not show that it is a European health insurance card (like the symbol in question 4), you should apply for an "EHIC" at your national health insurance. With your EHIC you are insured within the whole EU. Make sure that your insurance card **is valid for the entire period of your stay**.
- **Students of the worldwide program:** We would recommend to conclude a health insurance with an insurance in Germany. You can also take out a health insurance for Germany already in your home country, but then we would have to check first, whether it covers everything necessary.

## 7. Can I work in Germany?

- Yes, you may work up to 20 hours a week.
- If you want to work here, you must take out a German health insurance, no matter where you come from! This costs about 100 Euro per month.

## 8. Can I stay for one or two semesters?

- It is possible to study either one or two semesters
- If you want to study here for two semesters, you can sign up for two semesters directly in your application
- It is also possible to decide to extend to two semester during your stay. However, your home university must approve. In this case you should have decided by the end

of January (for the winter semester) or by the end of June (for the summer semester) that you want to extend your stay.

## 9. Can I do an internship?

- Yes, an internship is possible! The “Praxisamt” (office for practice and internships) of the PH and we the international office are happy to help you find an internship. The internship can take place once or twice a week and depending on the workload, the internship can give up to 5 ECTS.
- However, you need **at least B2 and must be vaccinated against measles!** That means you have to bring your **vaccination certificate or a confirmation from your doctor** that you have antibodies against measles.

## 10. Courses that you can take and how to sign up

- You must take at least **5 courses** and earn **15 ECTS**
- You can earn a **maximum of 30 ECTS** per semester
- If you attend all courses in the introductions weeks and all compulsory events during the semester (International Dinner and Transcript of Records presentation), you will receive 1 ECTS
- If you attend our compulsory presentation for academic writing in the introduction week, you will receive 1 ECTS
- All (except native speakers) must attend a German class. You will receive 3 or 6 ECTS for this class depending on the level.
- Both German and English courses are available. However, the choice of English courses is mostly limited to linguistic, pedagogical or cultural classes.
- If you want to attend normal courses, you need **at least B2 in German or English**. After your arrival your language level will be tested (except native speakers). This result determines whether you are allowed to take normal courses.
- If the test reveals that you do not have a B2 level, there is a small selection of courses you can take with any proficiency level. However, you will not be able to take 30 ECTS points with these courses!
- Before your arrival you should take a look at the courses offered and consider which courses you want to take. For this you can look at the courses from the previous year at: [- Course Overview Pädagogische Hochschule Freiburg \(ph-freiburg.de\)](#)

The final course offer for your semester will only be released later and may vary slightly.

- After your arrival and after we have the results of your language test, **we will help you with your course timetable and we will sign you up for your courses**.
- It may happen that at this time some courses are already full. However, in most cases we will find good alternatives.
- Students coming from the same university will be split up into different courses if possible, so it is best inform your local coordinators about this and note that you cannot all take the same courses.

## 11. Semester fee

- 84 Euro per semester
- You must pay the semester fee **before** your arrival. Exception: Worldwide students who find it difficult to transfer money from abroad can pay in cash after arrival.
- You will find payment information on your letter of admission

## 12. Accommodation during your semester in Freiburg

- **If you wish,** you can apply for a dorm room in a students' residence of the "Studierendenwerk Freiburg" (SWFR) **through us**. There are three student halls in which you can be accommodated:
  1. "Kunzenweg": directly on the campus of the Pädagogische Hochschule (PH)
  2. "Stusie": about 30 minutes by tram from the PH
  3. "Studentendorf Vauban": about 30 minutes by public transport from the PH
- We are usually able to provide everyone with a room who asks for one but we cannot guarantee that everyone gets a room.
- In the rare case that we don't have enough rooms, students who come from far away will be considered first
- There are **shared apartments (WG: "Wohngemeinschaft")** in which you live together with 4 to 7 other students but every student has their own room. We also have a **few single apartments ("Einzelapartment")** in which you live by yourself.
- You can request certain preferences e.g. whether you want to live in a flat with only the same gender or a mixed one. We will try to consider such wishes, but cannot guarantee them.
- The rooms in a shared flat and the single apartments are equipped with furniture (bed, mattress, desk, closet, chair, and shelf). However, the rooms are **not** equipped with bedding items (pillow, blanket, mattress cover, bed linen).
- If you wish you can book two **different starter packages** in addition:
  1. "**Linen**" costs: 50,00 EURO. Includes: pillow, blanket, fitted sheet, bed linen set, towel, bath towel -> We recommend purchasing this package if you cannot bring these items from home
  2. "**Kitchen**" costs: 55,00 Euro. Includes: 2 x cutlery (knife, fork, spoon, small spoon), 2x coffee mug, 2 x cereal bowl, 2 x soup plate, 2 x plate, 2 x drinking glass, 2 x dishcloth, cooking spoon, can opener, dishwashing brush, storage containers, scissors, kitchen knife, salad or pasta sieve, cutting board, pan (suitable for induction), pot with lid (suitable for induction), spatula with tongs and sauce spoon -> We would not recommend purchasing this package if you live in a shared flat. Because in this case you can often use the existing kitchen items that are mostly shared with everyone and if you need anything else, you can buy it in a shop in Freiburg.

- You can also look for accommodation **yourself**

The canteen "Rempartstraße" in the city also offers dinner. Please note that the canteens are closed on weekends and holidays

Semester fee	Approx. 14 Euro
Leisure, clothing	According to requirements

## 17. Arrival

- If you are travelling by plane, we recommend you to fly to the airports Frankfurt, Stuttgart, Basel or Zurich. These are well connected to Freiburg by public transport. If you are not a citizen of the EU, you must be aware that Basel and Zurich are not in the EU and you may need a visa. Frankfurt airport has the best train connection to Freiburg.
