For more details, students should see their letter of acceptance which they will receive from the registrar's office. Students should also have a look at:

German Language Courses:

We offer evening classes in German (free of charge) during the semester. Before each winter semester, exchange students can attend our International Summer Course, before each summer semester our International Spring Course. Both courses include intensive German Language Courses, trips, workshops, and much more.

For the International Summer Course exchange students pay a reduced fee and can gain 4 ECTS. For the International Spring Course exchange students pay a reduced fee and can gain 3 ECTS. Please register online. For registration and more information please see:

Language Requirements:

There are no general language requirements for exchange students. Some departments require proof of certain English or German language skills. We strongly recommend German language skills of at least B1 level to be able to follow classes and to communicate in everyday life! Please ask our exchange/departmental coordinators (see above) for required German language skills in advance!

Expect approx. € 853 per month plus a (re)registration fee of around € 270,- for our student ID card which includes the "semesterticket" (free public transport within Hesse) and a contribution to the students' union in order to profit from cheaper prices in student restaurants, halls of residence, etc. The (re)registration fee has to be paid at the beginning of each semester (details are indicated in the letter of acceptance):
