

FACT SHEET

The Hannover University of Music, Drama and Media Hannover (HMTMH) is one of Germany's most renowned institutions for professional training and academic study in the cultural and artistic field. **Some 480 teachers**, amongst them numerous internationally celebrated artists, educationalists and academics, teach **over 1,500 students** from all over the world. The balance between music, drama, education and academic research and the commitment to excellence both at the highest level of solo performance and also in the broader training of ensemble players and teachers are at the core of HMTMH's understanding of its role. To this end, the University provides a broad but differentiated offering of courses and programmes, currently consisting of **33 study programmes** supplemented by world-class master classes.
