WHY SHOULD YOU CHOOSE ROSTOCK?

i **The University of Rostock was established in 1419 and is not only the oldest university in the Baltic Sea area, but also the third oldest university in Germany.**

We offer:

- a mid-sized university with a good professor/student ratio.
- a full-scale university with more than 100 different study programmes.
- international summer programmes.
- cooperations with various associated research institutes including Max Planck, Fraunhofer and different Leibniz Institutes.
- strong areas in Medicine, Mechanical Engineering and Ship Building, Mathematics, Natural Sciences, Information Technology and Marine Biology.

Rostock offers:

- being close to major German cities, like Berlin or Hamburg.
- being situated at the Baltic Sea - finish your class and enjoy an afternoon at the beach.
- a perfect place to explore the Baltic Sea area, with ferry lines to Sweden, Denmark, Finland, Latvia and Poland.

Local ERASMUS Initiative

A group of Rostock students is dedicated to support international students regarding organizational matters and to accompany them during their stay abroad with a wide range of activities. Do not miss to get in touch with the Local Erasmus Initiative (LEI) early and ask for help, if necessary (e.g. being picked up on arrival day, finding your way to your room):
