The exchange programme starts with special Welcome Events offering an overview of the city of Weimar and its surroundings, of the university and its faculties, and enabling first contacts with other exchange students. This programme usually takes place at the same time as the German intensive course in March (summer semester) or September (winter semester). Dates and details will be announced by mail.

### University Sports Centre
The University Sports Centre offers different sport courses during the semester. Please mind the application deadlines for courses:

### Student Initiatives
Many students participate in initiatives like »Baushaus Internationals«, »BeBuddy« and »Culture-Talk«. There are also activities that inform about the university’s unique profile with publications like »Port« and »horizonte«.
