Health insurance requirements

Students coming from within the European Union with access to the public health system in their home countries will be able to use their [European Health Insurance Card](#). This card entitles students to any necessary healthcare during a temporary stay in any of the [EU member states](#) or in countries from the [European Economic Area](#), at any outpatient department or health center near their accommodations.

Students coming from a non-EU country must bring their own international medical insurance policy to cover their healthcare needs in Spain. Students should also bring an insurance company document detailing the extent of such coverage.

Students coming from countries that have signed [Bilateral Health Agreements](#) with Spain should bring their corresponding documentation with them from their home country and apply to be assigned a general practitioner physician at the health center nearest to their accommodations.
