Application information

Only for student Exchange programs with ETSIGCT – UPV Partner Universities

PERIOD OF STUDIES IN UPV

	SEM A (Sept-Jan)/ Full academic year	SEM B (Feb-Jul)
Nomination	30 April	30 September
Application EU/EFTA	1 Apr - 15 May	1 Sept - 15 Oct
Application non-EU/EFTA	20 Mar - 15 May	1 Sept - 15 Oct

Selecting your courses (!)

AVERAGE COURSE LOAD PER SEMESTER 20/30 ECTS (around 4 to 5 courses).

- We recommend a minimum course load of 20 ECTS per semester.
- Students are allowed to take courses from different Schools, However at least 80% of the credits must belong to ETSIGCT.
- Some other Schools/Faculties may have some pre-requisites for certain courses or restricted programs. Insufficient background may result into course denial.
- **Our bachelor is completely in Spanish** while **our Master is English Friendly**, that means all classes are taught in Spanish too, but the student can find documents to study, tutorials with professors and exams in English.
- To study our bachelor, it is compulsory to prove a **Spanish level of B1 (minimum)**.
 - **Note1:** Students can apply for a free online Spanish Course (OLS). Your home institution can apply it for you.
 - **Note2:** To certify the level of Spanish with a certificate you can also obtain it at SIELE: <https://siele.org/>
- To study our Master, it is highly recommended a Spanish B1, and to have a good level of English as well (B1-B2).
- There is one subject from our Master that is completely in English: [34507 – Geospatial Content Managers and Smart Cities](#)

[Course Search Tool](#) 

3 STEPS TO APPLY

- Step 0.** Your home university sends your nomination before the deadline (30 April, 30 September)
- Step 1.** Requesting User and Password
The International Office validates the request. (validations only during the application periods)
- Step 2.** Fill in the online application form and confirm.
- Step 3.** Download and print the overview of your online application. Obtain signatures and upload it, along with all the documents requested by the ETSIGCT, as explained in the application instructions you will receive

Nominations must be previously sent by email: intergeo@upvnet.upv.es, letting know us complete name, e-mail, the stay period of the students and their study level (Bachelor or Master).

Application documents

Download and print the overview of your online application.

Obtain signatures and upload it to AIRE, along with the following documents:

- Motivation letter
- Language Certificate (Spanish and English)
 - Spanish language:**
Bachelor degree: B1 (Mandatory)
Master degree: B1 (Highly Recommended)
 - English language:**
Recommended B1-B2 (minimum) for master
- Transcript of Records of Whole Academic Life
- Printed Application signed by your Coordinator

TIPS FOR YOUR COURSE SELECTION

- Have a look at the course content and units. Make sure that the selected courses are taught in the semester you are to come (A or B)
- Remember that to study our Master courses, students must have completed **at least 150-180 ECTS** before their incorporation in our institution.
- Creating a study programme with English courses taught in different UPV Schools is not a good idea. Focus mainly on the courses of ETSIGCT. A good background of Spanish language and flexibility in your choices will boost your possibilities, think about it!
- Think on alternative options in case you have to change your preliminary course list (timetable overlaps, course is full or unavailable...).
- Remember that class attendance is compulsory!

Spanish Language Courses

[Courses in English at UPV](#) [Intensive Spanish Course - Gandia Campus](#) 

You have the option to enroll in the pre-semester **Intensive Spanish Course** (4 ECTS) in Gandia Campus, from A1 to C2. There are fee paying for this course.

Regular Spanish Courses (4.5 ECTS) have great demand and limited places for enrolment.

- Free for Exchange Students
- You must prove a Spanish level to enroll in the next Spanish level. The prove will take place before classes start.
- We can offer courses from A2 to B2.
- Registration opens at the beginning of each semester.
- Application from the "Spanish" section in the online exchange application form (AIRE)

Prepare your stay

Accommodation

UPV does not provide accommodation for exchange students. It is usually quite easy to find housing in private apartments near our 3 campuses any time of the year (both before arrival or in the first days of your stay). For housing in student dorms, we recommend you book in advance.

SHARING OR RENTING A FLAT

This is the most common choice among exchange students.
Price: from 250 to 350€ per room.

STUDENT DORMS

There are many student dorms around our Campuses.
Prices: around 600 to 700€ with meal plans.

[UPV Searching engine or private providers](#) 

Mentor (Buddy) Program

Buddy Program aims at partnering UPV students with incoming exchange students from the same School. Buddy partners will help with daily life, administrative and academic issues during the stay.

Interested students should apply under the "mentor" section in the online exchange application form (AIRE).

Orientation Sessions

At the beginning of each semester, a general orientation meeting or Welcome Day is organized at the central UPV level for new exchange students in any study field.

Additionally, our school (ETSIGCT), organizes an information meeting for all the exchange students, with more instructions.

Visa and Health Insurance

Non EU-EFTA/EEA nationals must obtain a visa to enter Spanish territory, and regulate their stay in Spain before the visa expiration date.

Students are required to bring their own Health Insurance for the whole period of their stay. Students will not be allowed to register if the Health Insurance is not in force.
