Insurance

Students from a Member State of the EU, EEA or Switzerland and entitled to coverage under the social security system of their country, can apply for the European Health Insurance Card (EHIC). It does cover NEITHER accidents NOR any private healthcare or costs such as a return flight home country or lost/stolen property.

Housing

-Students enrolled in an international exchange program can apply for a room in a student residence hall. All the information about the application is sent by the UBO international office once the student is nominated. There are three residence halls in Brest, all located at walkable distance from the university.

-Private housing is plentiful and affordable compared to other French cities.
