### APPLICATION PROCESS

#### NOMINATION OF EXCHANGE STUDENTS

The sending university should inform Ms. Michelle Benoit (iep.incomingstudents@unistra.fr) of the identity of the exchange students by 15 May (semester 1 and full academic year) or by 1 November (semester 2).

Online application is mandatory – even if the standard application forms have already been filled in on paper, students must reapply online. Any student who does not apply online cannot be admitted to Sciences Po Strasbourg at the University of Strasbourg.

#### ONLINE APPLICATION

#### APPLICATION DEADLINE

- 31 May for semester 1 and full academic year.
- 15 November for semester 2.
Most classes are taught in French; 30 modules are taught in English, 2 in Spanish and 2 in German. B2 level in French is necessary to take classes taught in French. Students who take English-taught classes (including our Certificate of European Studies (CES) programme) must make proof of a B2 level in English. No prior French language skills are required for students who take all their classes in English.

We offer a French language pre-semester course at the beginning of each semester at no additional cost. French language classes are also on offer during the semester.

Students on exchange at Sciences Po Strasbourg must take a majority of their modules at Sciences Po Strasbourg. Up to two modules may be taken at another school/faculty within the University of Strasbourg (subject to prior approval by the school/faculty concerned). No modules may be taken from the Faculty of Psychology.

Exchange students need to take a number of classes allowing them to obtain between 6 and 33 ECTS per semester. Some modules have a restricted intake. Pre-registration may in that case be required.

The number of ECTS credits awarded for each class depends on the number of contact hours and the amount of work expected from students. Most classes are credited with 3 or 6 ECTS.

Grades range from a minimum 0 (zero) to a maximum 20 twenty). 10 (ten) is the minimum passing grade. As compensation occurs for regular degree-seeking students, it is not uncommon for good students to obtain a grade below 10 (ten) for one or several module(s).

The original transcript is sent free of charge to the student’s permanent address and to the coordinator of the home university in early March for semester 1 exchange students and in early July for semester 2 and full-year exchange students.
Information on the various halls of residence can be found [here](#). Sciences Po Strasbourg allocates around 50 rooms at the university’s halls of residence on a first-come-first-served basis. The link to online application forms will be sent by iep.incomingstudents@unistra.fr

Information on housing in the private sector can be found [here](#). If needed, Sciences Po Strasbourg can provide further guidance.

Information about travelling to and settling in Strasbourg, about finances, culture and sports facility at the university of Strasbourg etc. can be found through the «Campus Life tab» on this [page](#).

No visa is required for students from Schengen countries. Students coming from other countries should check on: [https://www.campusfrance.org/en/the-different-type-of-visas](https://www.campusfrance.org/en/the-different-type-of-visas) or [https://france-visas.gouv.fr/web/france-visas/etudiants](https://france-visas.gouv.fr/web/france-visas/etudiants)

Sciences Po Strasbourg sends letters of acceptance.

Registration for social protection is compulsory for all exchange students and must be valid for the entire period of their mobility in France. EU/EEA or Swiss nationals may apply to the social welfare organization in their country of origin for a European Health Insurance Card. Alternatively, exchange students may apply for affiliation to the French social security by registering on: [https://etudiant-etranger.ameli.fr/#/](https://etudiant-etranger.ameli.fr/#/)

Affiliation to the French social security is free of charge for exchange students.
