</table>
- Education, Cultural Heritage and Tourism;
- Political Sciences, Communication and International Relations;
- Law;
- Humanities – language, mediation, history, literature, philosophy;
- Economics

All International/Erasmus students have to choose the MAJORITY of their courses and ECTS/credits within the field of study of the relevant Bilateral Agreement. However if necessary they may also choose a MINORITY of their courses and ECTS/credits from other departments in order to widen the choice of courses available to them. It is important that the courses chosen will run during the semester they will be in Macerata as some courses only run in either the first or the second semester.

- A full-time study workload for the full year is 60 credits

INTERNATIONAL STUDENTS

The Learning Agreement has to be signed by the student, by the responsible/coordinator at the sending institution and by the responsible/coordinator at the receiving institution. The responsible/coordinator at the University of Macerata is the Extra UE Bilateral Agreement Coordinator (list above).

- A full-time study workload per semester is 30 credits
- A full-time study workload for the full year is 60 credits

ERASMUS STUDENTS
ITALIAN LANGUAGE AND CULTURE COURSES

The official language at the University of Macerata is the Italian language.

The MINIMUM RECOMMENDED LEVEL OF ITALIAN LANGUAGE is A1 of the European Framework

Students will be expected to have reached at least a A1 level in the Italian language and provide a certificate for Italian language (minimum A1 of the European Framework).

The CLA (University Language Center) will decide about the validity of the certificates.

Please find below the list of certificates that the university of Macerata will recognize as valid:
1. CELI - Università per Stranieri di Perugia / CVCL: www.cvcl.it
2. CILS - Università per Stranieri di Siena / Centro CILS: http://cils.unistrasi.it/
3. IT - Roma Tre / Ufficio della Certificazione – Dipartimento di Linguistica: www.certificazioneitaliano.uniroma3.it
4. PLIDA - La Società Dante Alighieri / Progetto PLIDA: http://www.societadantealighieri.org/it/

The certificates have to be released not before 1 January 2015

Other types of certificates will not be accepted.

The certificates have to be sent in attachment with the Application form from April, 16th to June,30th

If the certification is NOT APPROVED by the CLA, or if the student CANNOT PROVIDE a certificate for Italian language (minimum A1 of the European Framework), the student will have to take a compulsory entrance test of the Italian Language Proficiency (see below).

Students who have not an international certificate validated by the CLA and need to perform the online placement test

Students who have not submitted an Italian language certificate, or who submitted a certificate which was not approved by the CLA, must register in advance, from the 16th of April to the 30th of June 2019, at the online services of the University of Macerata through the link: https://studenti.unimc.it/AddressBook/ABStartProcessRegAction.do?jsessionid=CD53A3C0F02D1496439030E2B8C102ED.jvm1a?cod_lingua=eng

Then the student must log in to the test platform (with the credentials provided during the registration) at the link http://moodle.unimc.it/login/index.php and carry out the placement test. At the end of the test, the student will be directed to the web page: http://clacourses.unimc.it and, based on the obtained results, will be enrolled to the corresponding course level.

Students who have to attend the compulsory intensive Italian language course A0 / A2 level

The student who does not pass the placement test, that means does not reach the minimum level A1, has to attend a 50-hour intensive Italian language course, which is compulsory, but free of charge. The course will take place in Macerata either in September (for students who arrive during the first semester) or in Mid-January (for students who arrive during the second semester), before University lectures begin.
The official language at the University of Macerata is the Italian language. Therefore, in order to succeed in an academic context, it is essential that students quickly develop a working knowledge of the language and we strongly advise students to begin studying the language before they come to Macerata.

All students who want to attend an Italian Language Course will have to take a compulsory entrance test of the Italian Language Proficiency. The entrance test will be organized on-line.

How to register at the compulsory entrance test of the Italian Language Proficiency:

- From the 16th of April to the 30th of October 2019, the students must register in advance at the online services of the University of Macerata through the link: https://studenti.unimc.it
- Then the student must log in to the test platform (with username and password provided during the registration) at the link http://moodle.unimc.it/login/index.php and carry out the placement test.
- At the end of the test, the student will be directed to the web page: http://clacourses.unimc.it and will be enrolled to the corresponding course level based on the obtained results.

We wish to draw your attention to the fact that only a few courses are taught in English here in Macerata. In order to attend courses taught in English, students will be required to have a good level of English language (B1 recommended). The students have to send a certificate of English proficiency in attachment with the application form.

Attention: Students who don’t have any previous Italian language knowledge must attend the intensive Italian course for beginners, even if all the courses that they will follow in Macerata are entirely held in English. This Italian course is a way to facilitate the students’ integration, as the official language in Macerata is Italian and not English.
Please, note that the NON-EUROPEAN students coming from an Extra UE bilateral Agreement, who will stay in Italy for more than 3 consecutive months must apply for a E.U. Residence Permit for Study Reasons within 8 days from their arrival in Italy.

All the information is available on the following link:
http://iro.unimc.it/en/students/incoming-students/erasmus-incoming-students/erasmus-incoming-students/practical-information/police-registration

INSURANCE

All students must possess a health insurance certificate valid in Italy for the entire duration of their stay in the country. This applies to both EU and Non EU citizens.

We advise students to come to Italy with this health insurance in order to avoid delays relating to the delivery of the residence permit for the Extra EU students. The documents will have to be readable and written in Italian or in English.

OTHER REMARKS

Macerata is located in central Italy, in the Marche region. It rises up on a hill of 313 meters, 30 km away from the Adriatic sea and 60 km from Umbria-Marche Apennines. It is an ideal position that allows students to travel all over the country. The University of Macerata since its foundation in 1290, plays a very remarkable role. It is one of the oldest university in Italy, boasts more than 13,000 students and five Departments to choose from, which are located within the medieval walls of the old centre. Macerata is an art town, with a typical medieval atmosphere and high quality of life. "International", "young" and "friendly" are commonly-used words to describe this city. The historical centre cultural vivacity invites you to learn something about the past or to enjoy a meal or a drink in a wide choice of cafes and bars.

- THE APP "ITALIAMO"

Before coming to Macerata, students who desire to learn basic Italian and improve their knowledge of the Italian culture could download the app ItaliAmo, created by the Italian Ministry of Foreign Affairs, available at the following link:

iOS

Android

ItaliAmo is interactive, fun and intuitive!
The language course is structured as a travel through Italy and its Regions, along with Leo and Lisa, two characters that resemble the well-known Leonardo Da Vinci and Monna Lisa. Each stage consists of four sections: dialogue, phrases, exercises and culture.

Nowadays, the App is available only in English and Chinese but later this year it will be translated in other languages.

Surely, ItaliAmo is a very useful tool to learn basic Italian before your arrival to Macerata.
