STUDENT SOCIETIES

Student societies at our university aim to ensure that all our students engage in productive activities outside of their academic studies. These societies organize a variety of professional, scientific, social, artistic, cultural, and sports events. Our goal is not only to help students gain academic skills but also to foster teamwork and representation skills, preparing them for life with increased self-confidence. These societies serve as a gathering place for students with shared interests and are a platform for forming new friendships through creative projects.

ERASMUS+ STUDENT EXPERIENCES

Türkiye Ulusal Ajansı

Merhaba Ben Şeyma!

"Merhaba, Ben Ankara Sosyal Bilimler Üniversitesi Psikoloji bölümü öğrencisi Şeyma. Erasmus öğrenci değişim programı ile İspanya'nın Las Palmas de Gran Canaria şehrine geldim. Universidad del Atlantico Medio'da değişim öğrencisiyim. İnsanlara İspanya'ya gittiğimi söylediğimde Madrid mi Barcelona mı diye sorulması ve Kanarya Adaları'nda olduğumu söylemem pek çok kişi için şaşırtıcı oluyor."

SAC

The Self-Access Centre (SAC) at the School of Foreign Languages offers a vibrant and stress-free environment for students to practice their English skills. Students can engage with various materials and activities either independently or with guidance from a teacher. The SAC provides an immersive experience primarily in English while also integrating Arabic in various ways.

The main goal of the SAC is to enhance English language learning beyond the confines of the traditional classroom setting.

SAC at ASBU assists students in developing independent learning skills and proficiency in four language skills: reading, writing, listening, and speaking. To help students acquire these independent learning skills, the SAC offers regular workshops focused on self-study techniques and provides information about useful websites and online applications.

School of Foreign Languages at ASBU was deemed worthy of the "Orange Flag" award within the scope of the Barrier-Free University 2024 awards given by the Council of Higher Education in order to raise awareness and disseminate good practices regarding the access of disabled individuals to venues, educational opportunities and socio-cultural activities at universities.
