3. Pre-sessional Programme - British Culture & Politics since 1945

Semester 1: 09/09/2019 - 20/09/2019

Semester 2: 13/01/2020 - 24/01/2020

NOTE: These dates are provisional, we will alert students & their home universities should any changes occur.

This programme is taught over a two-week period before the start of the semester and provides an introduction to major themes and events that have shaped social, cultural and political development of the UK since the end of World War Two using British literature, films, music and popular culture to illustrate it. This popular programme also includes excursions around the local area:

<https://www.swansea.ac.uk/goglobal/inbound/pre-sessional-courses/>

Fee-paying students - The programme is worth 10 SU credits and the cost can be included within the tuition fees for a semester (60 SU credits) or a full-year (120 SU credits). Should the maximum number of credits be exceeded for the year/semester the programme is available at a cost of £500.

Exchange students may also choose to study this programme at a cost of £500.

Please note: An additional 2 weeks accommodation will be required for this course. (If you are allocated Swansea University accommodation the cost will be confirmed upon application to the programme).

4. Completion of Online Admission Forms

All nominated students are required to complete and submit the online admission form found on our Visiting & Exchange webpages: <https://www.swansea.ac.uk/goglobal/inbound/how-do-i-apply/> ensuring all required sections are complete before submitting the form.

Deadline for submission of online application for September 2019 start: Friday, 17th May 2019

Deadline for submission of online application for January 2020 start: Friday, 25th October 2019

Students are required to upload the following with their application:

- **All students** - A copy of the biographical pages of their passport. **NOTE:** EU students can currently upload a copy of their National I.D. cards. **(Should requirements for EU nationals change after Brexit, students will be contacted by our team with further guidance and information.)**
- **All students** - A copy of their most recent academic transcript.
- **International students** from non-English speaking countries must submit an IELTS certificate. (See below for English Language requirements.)

5. English Language Requirements

- Non-EU nationals - Proficiency in the English language is required as **ALL** modules are taught in English. A minimum IELTS score of 6.0 is required with a minimum of 5.5 in each part of the test. Students are required to provide the Go Global Inbound Team with a copy of their IELTS certificates.
- EU nationals - Proficiency in the English language is required as **ALL** modules are taught in English. It is recommended that Level B2 (or equivalent) is obtained. **(Should requirements for EU nationals change after Brexit, students will be contacted by our team with further guidance and information.)**
- Swansea University reserves the right to deny admission onto courses for students who do not have the requested level.

6. Module/Course Selection and Restrictions

Module Equivalence: 120 Swansea University Credits = 60 ECTS credits

- Modules/courses at Swansea University are either taught in Semester 1 (TB1 modules), Semester 2 (TB 2 modules) or throughout the whole academic year (TB1 & 2 modules).
- Students spending Semester 1 or Term 1 at Swansea can only select modules/courses taught and examined in Teaching Block 1 (TB1 only).
- Students spending only Semester 2 at Swansea can only select modules/courses taught and examined in Teaching Block 2 (TB2 only).
- Full year students can select up to a total of 120 Swansea University credits.
- Semester students can select up to a total of 60 Swansea University credits
- Students are advised to select Year 1 (HE level 4) or Year 2 (HE level 5) modules. With the discretion of a department it may be possible to select Year 3 (HE level 6) if students have a sound background in that subject area. It is at the discretion of departments whether they allow Undergraduate students to pursue level M modules (Master Level).
- Postgraduate exchange students entering Swansea University are allowed to select up to one semester worth of Master Level (M) modules/courses.

IMPORTANT NOTES:

- Due to timetabling, module capacity and other restrictions it is not possible to confirm final module selections until students arrive and enrol at Swansea University. There is a two-week “Add/Drop” period at the beginning of each semester in which to change or confirm module/course selections. No changes can be made after this 2 week period.
- Some modules/courses are **NOT** available to Visiting & Exchange students. Students should consult the module information carefully to check for statements such as ‘Available to Visiting & Exchange students’.
- View our Module Catalogue for more information: <https://intranet.swan.ac.uk/catalogue/>.

7. Examinations and Assessment

When selecting modules/courses students must pay attention to the method of assessment. Some are assessed by essay, others by examinations.

- **Semester 1 (TB1) modules/courses:** Some modules have examinations in January and students are required to be present in Swansea for these. Some modules require the submission of coursework. **It is the responsibility of students to check the method of assessment before selecting their modules.**
- Students not planning to be in Swansea for the assessment period need to select modules assessed by coursework and class tests rather than by examination in January.
- **Semester 2 (TB2) modules/courses :** All examinations take place in May/June.
- Students are required to be present at all set examinations and should **NOT** arrange return flights home until their final examination timetable is confirmed by the Examination Office at Swansea University. These timetables are published in mid-December for January examinations and in early April for May/June examinations.
- **Swansea University will not proctor any examinations for students.**
- **Swansea University will not allow students to sit Swansea examinations at their home universities.**
- For queries on assessment contact k.llewellyn@swansea.ac.uk

8. Tuition Fees for 2019/20 academic year (Visiting students only)

- EU student – £9,000 GBP per full academic year (£4,500 GBP per semester).
- Non-EU International student - £14,000 GBP per full academic year (£7,000 GBP per semester).
- Discounts on the above fees are available for partners with whom we have signed agreements.
- No tuition fee for exchange students.

9. Accommodation Applications

- Students can **ONLY** apply for accommodation when they have been formally accepted to study at Swansea University.
- The Go Global Team will email acceptances to students in mid to late June (for students starting in September). Students will also receive their Swansea University student ID numbers along with a link to Residential Services with their acceptances. This link will allow students to create an Accommodation Account in order to apply for accommodation.
- Deadline for applying for accommodation for Full Year & Semester 1 is the end of June.
- Deadline for applying for accommodation for Semester 2 is the end of November.
- For more detailed information see the Residential Services website www.swan.ac.uk/accommodation & <https://www.swansea.ac.uk/accommodation/accommodation-options/accommodation-designated-areas/non-standard-course-length/>
- All queries regarding accommodation must be directed to Residential Services on accommodation@swansea.ac.uk.

10. Visa Requirements

- Non-EU nationals studying in the UK for 6 months or less may require a Short-Term student visa.
- Non-EU nationals require a T4 visa to be able to do one or more of the following:
 - Study in the UK for an academic year or longer than one semester
 - Work whilst they study in the UK
 - Carry out voluntary work whilst in the UK
- Students cannot apply for a visa until 3 months before the start of their studies at Swansea University.
- Students should apply for a visa as soon as they receive email confirmation of their acceptance at Swansea University to ensure their visas are processed in time for their arrival.
- Currently EU nationals do not need a visa to study at Swansea University. **(Should requirements for EU nationals change after Brexit, students will be contacted by our team with further guidance and information.)**

11. Medical Provision

- Currently EU nationals (or students from EEA countries) studying in the UK for either a full academic year or less than 6 months are entitled to register with the UK National Health Service (GP/Doctor surgery). Students currently need to obtain a valid European Health Insurance Card (EHIC) before coming to the UK to access any required medical treatment and are required to pay for any prescription charges. **(Should requirements for EU nationals change after Brexit, students will be contacted by our team with further guidance and information.)**

- Non EU nationals studying for a full academic year can register with Swansea University Campus Health Centre. Non EU nationals studying for 6 months or less (i.e. one semester) are unable to register with the University Campus Health Centre due to visa regulations. Students are able to attend any local GP/Doctor surgery and pay for a consultation & any medication received. This charge may be reclaimed on the students own health insurance (not provided by Swansea University).
- The Go Global Team will provide students with a list of GP/Doctor surgeries within the local community at Orientation.

12. **Meet & Greet Service**

- A Meet & Greet service will be provided at Heathrow Airport for September arrivals ONLY.
- This service is NOT available for January arrivals.
- Detailed information will be provided with acceptances in mid to late June.

QUALITY ASSURANCE

The Quality Assurance Agency for Higher Education (QAA) is the independent body entrusted with monitoring and advising on standards and quality in UK higher education. The *UK Quality Code for Higher Education* (the *Quality Code*), developed by the QAA, is used to assure these standards and quality.

The development and management of all collaborative arrangements are governed by adherence to the nineteen indicators of Chapter B10 of the *Quality Code*. The following link to Chapter B10 details Swansea University's requirements from partners for the maintenance of its academic standards and the assurance of quality and standards: <https://www.swansea.ac.uk/academic-services/collaborative-partners/working-with-others/theregulatorycontext/#the-quality-code-is-expanded>
