2nd International Week – School of Political Science “Cesare Alfieri” Florence, 21-25 October 2019

Dear Colleagues,

The School of Political Science “Cesare Alfieri” of the University of Florence is pleased to invite you to its second **International Week, from the 21 to 25 October 2019**. Academic staff from partner universities will have the opportunity to give guest lectures and present their home institution to our students and faculty. It is also a valuable opportunity to improve students’ mobility and research cooperation. During that period, visiting Scholars will also have the chance participate in a series of events organised as part of the international week, including an opening lecture (TBA).

Academics are welcome to propose lectures in a variety of topics ([please check the application form for a complete list of available topics](#)). The lectures are mostly targeted at students from our BA and Master Programmes and the teaching language is either English or Italian.

We will confirm if the proposal is accepted by the 1st of August.

There is no participation fee. However, participants shall use the Erasmus+ Teaching Staff Mobility programme to cover their travelling and accommodation expenses. We invite candidates to check the availability of such funding with their home institution. Please note that the Erasmus+ Teaching & Staff Mobility Programme requires visiting lecturers from partner universities to give a minimum amount of hours of lectures in the host university, some of which might be given under the form of research seminars.

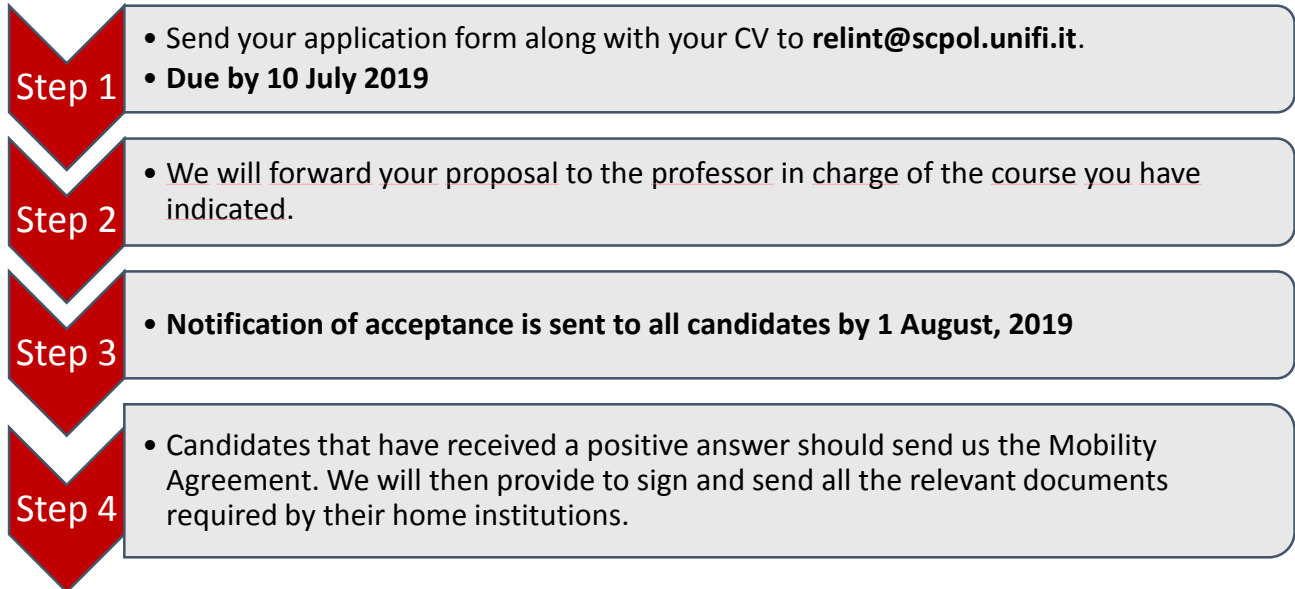

To apply for the International Week, **please complete the application form** and send it by email to **relint@scpol.unifi.it** with your CV **by 10 July 2019**, we apologize for the relatively short notice, but please, apply as soon as possible since we expect to receive a relatively large number of applications and we might not be able to accept all the proposals. Please note that you are required to indicate the course(s) – among those listed in the application form – that best match(es) your lecture(s).
