

# TRANSFORMATION Summer Camp 2025

September 14 to 19 - Catholic  
University of Eichstätt Ingolstadt

## Human Well-being & Planetary Health

- Develop your research idea together with others
- Exchange ideas directly with leading experts
- Enjoy the vibrant atmosphere at a new urban campus
- Commit to planetary health and human well-being

### Apply for a scholarship now!

Submit your ideas to apply for a scholarship now and become part of the Transformation Summer Camp at the KU Eichstätt-Ingolstadt in the heart of Bavaria (Germany). We offer you the opportunity to spend a week discussing and developing your ideas with internationally recognized experts.

You will learn how to present a poster at scientific conferences. You can expand your network in science and practice. And you will find out how “Design Thinking” as an innovation method can help you to get to the heart of your ideas.

### What is it about?

The Transformation Summer Camp deals with current issues at the interface of human well-being, climate protection & planetary health. We firmly believe that a sustainable development of our societies is only possible if we connect the dots between human well-being and health, environmental protection and planetary health more closely and apply an interconnected focus.

# Future

# Now

Key topics of the camp include: Climate crisis & human well-being, social justice & lifestyles, digitalization and robotics in health & care, human enhancement and medical ethics, social prevention & healthy regions, sustainable natural and living spaces.

### Who can apply?

The Transformation Summer Camp is open to students of all disciplines and fields of study who are completing or have already completed their Master's degree and are at the beginning of their doctoral studies.

### What does the scholarship cover?

The scholarship covers the costs of travel, accommodation and meals.

Become part of our community.
