

Ben-Gurion University of the Negev

GLOBAL HEALTH

International Summer Program

July 12th - August 5th
2020

Online

Has COVID-19 gotten you even more interested in global health issues?!

Join our class and learn about subjects that contribute to global health decision making, such as globalization, ethics, migration, and case studies (such as COVID-19, Climate Change, AIDS, and Mental Health)

Online

A comprehensive learning experience that combines dynamic online classes, international group work, and an applied individual assignment.

Academics

The program is led by BGU researchers, Prof. Nadav Davidovitch & Dr. Anat Rosenthal. Guest Lecturers include Prof. Michael Yudell (Drexel University), Prof. Jonathan M. Metz (Vanderbilt University), and others.

BGU School of Public Health is a leading school within BGUs faculty of Health Sciences. It is a Member of the Association of Schools of Public Health in the European Region (ASPHER), a leader of public health policy in Israel, and abroad.

Credits : 6 (~9 ECTS)
