UNIVERSITY OF
EASTERN FINLAND

DEVELOP YOUR KNOWLEDGE AND ENJOY THE NORDIC LIFESTYLE AT UEF SUMMER SCHOOL

The UEF Summer School is more than just taking a course: it is an excellent opportunity to experience an innovative and international learning environment while creating new networks with your fellow students. And let's not forget about the opportunity to enjoy typical Finnish summer activities in beautiful lakeside surroundings.

We offer summer school courses from different fields:

- › Education and Culture
- › Science and Forestry
- › Health Science
- › Social and Business Studies
- › Languages (Finnish and/or English)

Typically, the lectures/course work will take place between 9-10 to 16-17. There will be a lunch break of one hour, and also other shorter breaks in-between. Please note that the courses are usually running at the same time, so you may need to choose a course which best suits your learning needs and goals. There is a course fee for the participants not registered as degree students at UEF.

Social Programme:

You can enjoy the eastern Finnish nature on your leisure time. Why not try out, for example, canoeing on the river or lake, play beach volley, go Nordic walking in the forest, take a sauna and go swimming in our beautiful lakes? Lively Eastern Finland welcomes you, so make a smart decision and join us in the middle of (k)nowhere!
