Internship

Graphic Design

at Gentle Traveller (Berlin)

Gentle Traveller

Gentle Traveller is a new travel magazine that aims at creating a new way of conceptualizing tourism, to present an alternative to the fast travel phenomenon. At Gentle Traveller, you will have the opportunity to work with our teams of award-winning journalists, editors, designers, and developers, all of whom contribute to creating and distributing the world-class content that is the hallmark of Gentle Traveller.

at Direktorenhaus

The Gentle Traveller team is located at a very unique place: the Direktorenhaus. This art platform in Berlin is one of the leading exhibition houses for applied arts in Germany. Since 2010, the museum in the center of the German capital, run by the Meisterrat (German Craft Council), presents selected unique pieces, limited series as well as conceptual design objects. The exhibitions focus on the latest trends in the applied arts.

The internship is aimed at students or graduates who would like to complete an Erasmus internship lasting between 3 and 12 months.

Your Tasks

- Designing Gentle Traveller's online and print pages
- Supporting the Art Director in Art desk duties, including checking proofs, and liaising with the production department to ensure production schedules are adhered to
- Thinking of innovative design solutions for articles that are tricky to illustrate, including commissioning illustrations, and putting together infographics, collages and composites.
- Working with Gentle Travellers digital team to create assets for social media to promote Gentle Traveller across all channels where required.
- Occasionally attending shoots for the main magazine and supplements to ensure imagery is on brand and feels glossy and luxurious.
- Being aware of all tasks the Art desk is responsible for, and working in an agile way between projects to help the desk run smoothly.

Qualifications

- Previous experience working on editorial, magazine or online projects
- knowledge of and passion for magazine design, photography and typography.
- Proficient in Adobe InDesign, Photoshop and Illustrator.
- Highly organised and able to work efficiently
- Organised team player with strong communication skills.

What can we offer you?

The opportunity to help shape a rapidly growing magazine on your own initiative – as part of an international team, you will have plenty of scope for initiative and creative ideas. In addition:

- Mentoring
- Responsibility
- Opportunity for follow-up work
- Option to work from home
- Employee, networking, and cultural events
- working in a creative, extraordinary atmosphere
