# Product Designer

**COVET GROUP is a Portuguese company with a proven experience in the design and luxury field.** We are proud of being a Team of Excellence that fights everyday to conquer the world through Design. A non settle feeling that keeps us with eyes always set on the future.

Product designers are the clever people who design everything we use in our lives. This vacancy means that you will use your creativity, eye for detail and technical knowledge to design new and innovative products.

To work in product design, you need to understand the relationship between art, science and technology. As a product designer, you will spend your time planning, designing and modelling products.

## MAIN TASKS

Helping develop research materials (DESIGN MINDS) for the concept and development of the project

Providing the development of design and re-design products for different brand collections

Participating in the development and discussions of new products, as well as in the realization of the final product

## REQUIRED SKILLS

### Languages

English : at least B2 (preferential factor)

### Personal skills

3D STUDIOMAX skills

Communication skills

Teamwork

International and multicultural vision

Bachelor's degree in the Design field

Creativity and out-of-the-box ideas

Good knowledge of SOLIDWORKS, Keyshot, V-Ray, Photoshop and Illustrator

## QUALIFICATIONS

No experience required

Preferably students from Design, Product Design or other related specializations.

## WORKING CONDITIONS

Full time internship (40 hours/week – 8 hours/day)

Schedule: Monday to Friday

Location : Rio Tinto, Porto (Portugal)

## SALARY

The company does not offer any financial compensation, but the students interested in performing internships in our brands and departments have the possibility to get hired after the end of the internship period.
