Web Designer

COVET GROUP is a Portuguese company with a proven experience in the design and luxury field. We are proud of being a Team of Excellence that fights everyday to conquer the world through Design. A non settle feeling that keeps us with eyes always set on the future.

A web designer creates the look, layout, and features of a website. The job involves understanding both graphic design and computer programming. Once a website is created, a designer helps with maintenance and additions to the website. They work with development teams or managers for keeping the site up-to-date and prioritizing needs, among other tasks.
