-internship-

Who are we?

The Photler company is looking for trainees and interns to work in the international business within the Erasmus+ programme. We are interested in video marketing (video expliners, product animations, and promotional videos). We don't just deliver short videos that sell your products. We create stories about brands, connecting them with customers.

Who are we looking for?

We are looking for young and ambitious English speakers who want to gain experience in:

- Marketing -social media services, advertising campaigns, content marketing, new media marketing.
- Sales -customer contact, B2B and B2C communication, sales strategies, communication with potential partners.
- Computer graphics - design, UX design, advertising design, pitch deck design and presentation.

What do we offer?

- Opportunity to gain real experience in international business.
- Possibility of development and promotion.
- Choose flexible working hours to match your lifestyle.
- Laid-backwork atmosphere, where business people work together every day.
- A recommendation written by the company's president.

Duration: period commitment is flexible
Compensation: No financial compensation
