

Internship ID 2019/20	Main reference company/institution/ agency	Location and Contacts	Duration	Term	Institutional tutor	Academic tutor and Administrative contact person	Language and ICT proficiency level required	Training activities
UNI 1	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	School of Medicine Infectious Diseases Unit Via De Nicola 1 - 07100 Sassari	03 months (extensible)	Sept. - Dec. /Feb. - May.	Dott. Giordano Madeddu Department of Clinical and Experimental Medicine UOC Infectious Diseases	Prof. Maria Stella Mura Dipartimento di Medicina Clinica e Sperimentale	Only PG Medicine and Surgery students may apply. Language proficiency: B1 language level in English. B1 language level in Italian.	Recognition of Infectious Diseases -Knowledge of the main topics of clinical Infectious diseases and their medical treatment -Participation in training seminars and clinical case challenges. Main tasks: Inpatients - Take part in clinical ward activities including medical history collection , physical examination, instrumental work-up and diagnostic process outpatients - Management HIV, HCV, HBV and co-infected patients whit the supervision of an experienced Infectious Diseases specialists. Participation as observed in all stages of Clinical Trials including informed consent, enrollment and follow up. Participation in research and diagnostic laboratory activities including serology and molecular biology - Regular assessment of progresses made by the tutor.
UNI -2	University of Sassari  Department of History, Sciences    Address: Via Zanfarino 62, Sassari Tel: +39 079 229698 Fax: +39 079 229603	Comunità alloggio Il Sogno  Address: via De Martini, 18 – 07040, Li Punti, Sassari  Mail: alsogno@libero.it http://www.cooperativailso gno.org/	3 months (may be extended)	Sept. - Dec. /Feb. - Apr.	Marco Pondi	Prof. Fabio Pruneri Department of History, Human Sciences and Education Address: Piazza Conte di Moriana 8, 07100 Sassari	Only UG/PG Educational Sciences students may apply.  Language proficiency: B1 language level in Italian.  ICT proficiency level: Working knowledge of basic software packages	Meeting with the managers of hosting facility. Initial observation and organization of the training activity. Intermediate meeting with the scientific tutor. Preparation of final report. Animation, sharing of the educational goals with the tutors appointed by the hosting institution. The trainee will be supported by an in-house tutor and a scientific advisor appointed by the University. The trainee will perform all the work activities agreed upon, according to the ordinary daily schedule set by the hosting institution. Know-how and skills expected to be acquired: Operational proficiency in contexts related to the education of children and adolescents. Development of powers of observation and socio-educational and cultural support capabilities in managing difficult subjects.
UNI 3	University of Sassari Address : Piazza Università 21, 07100 Sassari www.uniss.it	Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari	03 Months (extensible)	Sept. - Dec. /Feb. - Apr.	Dr. Gabriele Mulas, Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari	Dr. Gabriele Mulas, Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari,	Candidates could be PhD students in Chemistry, Physics or Materials Science, or could be students of Master Degree having a Bachelor Degree in Chemistry, or Materials Science Required language skills: English B2-B1.	Synthesis, structural and thermodynamic characterization of innovative nanosized materials for energy production and storage. (Evaluation of sorption properties of hydrogen storage systems; hydrogen production by water splitting process, preparation of electrode materials for Li-ion batteries).
UNI 7	School of Medicine University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Unit of Pharmacology Address: Viale San Pietro 43/b, 07100 SASSARI	03 months (extensible)	Sept. - Dec. / Feb. - Apr.	Prof. Pier Andrea Serra School of Medicine Department of Pharmacology	Prof. Pier Andrea Serra School of Medicine Department of Pharmacology	Only PG Medicine, Chemistry, Biological Sciences, Pharmacy and Biotechnology Sciences students may apply. Language Proficiency: B1 level in English A2 language level in Italian	Construction and characterization of sensor and biosensor for monitoring neurochemical molecules.

UNI 8	School of Medicine University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Unit of Pharmacology Address: Viale San Pietro 43/b, 07100 SASSARI	03 months (extensible)	Sept. - Dec. / Feb. - Apr.	Dott. Gaia Rocchitta School of Medicine Department of Pharmacology	Dott. Gaia Rocchitta School of Medicine Department of Pharmacology	Only PG Medicine, Chemistry, Biological Sciences, Pharmacy and Biotechnology Sciences students may apply. Language Proficiency: B1 level in English A2 language level in Italian	Characterization of nanostructured materials for the construction of transducers for sensors and biosensors for the monitoring of biological and nutraceutical molecules
UNI 9	University of Sassari  Address: Piazza università 21, 07100 Sassari www.uniss.it	Department of Pharmacy and Chemistry  Address: Via Muroi 23/A, 07100 Sassari	3 months	Sept. - Dec. / Feb. - Apr.	Prof. Gianpiero Boatto Department of Pharmacy and Chemistry Address: via Muroi 23/a, 07100 Sassari	Prof. Gianpiero Boatto Department of Pharmacy and Chemistry Address: via Muroi 23/a, 07100 Sassari	Applicants must possess one of the following titles: Master's level degree in Pharmaceutical Studies, or Pharmaceutical Chemistry and Technologies. Basic theoretical and practical knowledge of Pharmaceutical and Toxicological Chemistry is required, with particular reference to instrumental analytical techniques, such as GC/FID, GC/MS, HPLC/ISI-MS, HPLC/MS/MS, CE/ISI-MS. Theoretical and practical knowledge of the methodologies for the extraction of drugs and metabolites from various biological matrices is required. Language proficiency:	The internship is intended to provide more information about new analytical methodologies in the context of: - detection of residues of drugs of abuse and addictive and psychotropic substances, - chemical and enzymatic stability evaluation of prodrugs through the determination of residues of prodrugs, spacers e parent drugs.
UNI 11	University of Sassari Department of Humanities and Social Sciences Address: Via Roma 151, 07100 Sassari, Italy <a href="https://dumas.uniss.it/it">https://dumas.uniss.it/it</a>	FOIST Laboratory for Social Policies and Training Processes Address: Piazza Conte di Moriana 8, 07100 Sassari, Italy <a href="http://www.foistlab.eu/">http://www.foistlab.eu/</a> Email: <a href="mailto:foist@uniss.it">foist@uniss.it</a>	03 months (first semester) 04 months (second semester)	September - December March - June	Prof. Stefano Chessa Department of Humanities and Social Sciences Address: Piazza Conte di Moriana 8, 07100 Sassari, Italy <a href="mailto:schessa@uniss.it">schessa@uniss.it</a>	Prof. Andrea Vargiu Department of Humanities and Social Sciences Address: Piazza Conte di Moriana 8, 07100 Sassari, Italy <a href="mailto:avargiu@uniss.it">avargiu@uniss.it</a>	Social worker with a higher education degree (any European system); Vocational educator; Researcher Language skills: Knowledge of Italian language level B1 Computer skills: Applications for Windows operating systems (Office)	Collaboration in social projects; partnerships with civil society organizations; research-action projects based on the needs of communities and individuals; collaborations with Italian and foreign universities and research centers.
UNI 12	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	<b>Department of Pharmacy and Chemistry</b>  Address: Via Vienna 2, 07100 Sassari N. di telefono: +39079 229535 Fax: +39079 229559 Email: <a href="mailto:zoroddu@uniss.it">zoroddu@uniss.it</a>	3 months (extensible)	Sept. - Dec. / Feb. - Apr.	Prof. Zoroddu Maria Antonietta Department of Pharmacy and Chemistry Address: Via Vienna 2, 07100 Sassari	Prof. Zoroddu Maria Antonietta Department of Pharmacy and Chemistry Address: Via Vienna 2, 07100 Sassari	Applicants must possess one of the following titles: Master's level degree in Pharmaceutical Studies, or Pharmaceutical Chemistry and Technologies, or Chemistry. Basic theoretical and practical knowledge of Inorganic and Bioinorganic Chemistry is required to perform the analysis of the interactions between metal molecules and molecules of biological interest. Language proficiency: B1 language level in English A2 language level in Italian	The training includes the synthesis and analysis (by means of different spectroscopic techniques) of organometallic compounds, consisting of metals and molecules of biological interest such as proteins, peptides and chelating agents, for the prevention and treatment of metal accumulation diseases. The trainee's duties will include the following activities: - Synthesis of metal complexes - Analysis of molecular mechanisms connected with the toxic and carcinogenic effects of metals. Characterization of metal complexes by means of spectroscopic techniques, such as NMR, EPR, and UV-Visible.
UNI 16	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari	03 Months (extendible)	Sept. - Dec. / Feb. - Apr.	Dr. Massimo Carraro, Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari	Dr. Luisa Pisano Dr. Massimo Carraro, ; Department of Chemistry and Pharmacy. Address: Via Vienna 2, 07100 Sassari	Candidates could be PhD students in Chemistry or Pharmacy, or could be students of Master Degree having a Bachelor Degree in Chemistry, Medicinal Chemistry or Pharmacy Required language skills: English B2-B1.	Green Chemistry: low impact methodologies in synthetic organic chemistry • Simulation in nuclear magnetic resonance spectroscopy

UNI 19	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Psychiatric Clinic Azienda Ospedaliera Universitaria (AOU) Address: Villaggio S. Camillo, 07100 Sassari Tel: +39 079228350 Mail: llorettu@uniss.it	3 months (extensible)	Sept. - Dec. / Feb. - Apr.	Dott. Paolo Milia Psychiatric Clinic Azienda Ospedaliera Universitaria (AOU) Address: Villaggio S. Camillo, 07100 Sassari	Prof.ssa Liliana Loretto Department of Clinical and Experimental Medicine Address: Viale San Pietro, 07100 Sassari Administrative contact person:	Only PG Medicine and Surgery students may apply. Language proficiency: B1 language level in English. B1 language level in Italian.	Recognition of major psychiatric disorders according to DSM IV TR Knowledge of the main topics of clinical psychiatrics and medical treatment of psychiatric disorders Participation in psycho educational program. Main tasks: - Take part in clinical interviews as a listener, knowledge of the main psychometric test to assess symptoms in psychiatric outpatients - Evaluate psychiatric outpatients with the supervision of an experienced psychiatrist - Regular assessment made by the tutor.
UNI 20	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Department of Architecture and Urban Planning Address: via Garibaldi, 35 07041 Alghero (SS) N. di telefono: +39 0799720415 Fax +39 0799720420 Mail architettura@uniss.it	6 months	From September to June	Prof. Silvia Serrelli Department of Architecture and Urban Planning LEAP Laboratory (International Laboratory on environmental Planning) Address Piazza Duomo, 6	Prof. Silvia Serrelli Department of Architecture and Urban Planning LEAP Laboratory (International Laboratory on environmental Planning) Address Piazza Duomo, 6 07041 Alghero (SS)	Only Architecture and Urban Planning students may apply. Language proficiency: B2 language level in one of the following languages: Italian/Spanish/English ICT proficiency level: knowledge of digital graphic (i.e. Acrobat programmes and cad)	The trainee will cooperate in urban planning projects.
UNI 21 - CLA	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	University Language Centre via Roma, 151, Sassari http://hostweb3.ammin.uniss.it/php/cla.php	3 months	Sept. - Dec. / Feb. - Apr.	Magda Sanna University Language centre administrative coordinator	Magda Sanna University Language centre administrative coordinator	Only PG students enrolled on a course of Foreign Languages and Literature may apply. Language skills: B1 language level in Italian; C1 language level in English. ICT proficiency level: Working knowledge of basic software packages (Office)	The intern will support the CLA in the organisation and management of educational measures and projects (eg. language courses for outgoing students tutoring for incoming students, translation activities etc.).
UNI 22 - RELINT	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	International Relations Office - University of Sassari Address: Piazza Università, 11 07100, Sassari http://www.uniss.it/relint	3 months	Sept. - Dec. / Feb. - Apr.	Dott. Savio Regaglia - Head of the International Relations Office	Prof. Luciano Gutierrez - Rector's Delegate for international student mobility and Erasmus programme.	The student must be enrolled on one of the following courses: Communication, Political Sciences, Translations or similar. Language proficiency: B1 language level in Italian; B2 language level in English. ICT proficiency level: good knowledge of basic software packages and web communication experience.	the intern will be involved in the management of international student mobility programmes with focus on communication, organization of incoming and outgoing mobility both for study and for placement, contacts with partner institutions. Additional activities will include institutional communication, promotion of international mobility opportunities offered by the University of Sassari, language support for information and translations, new partners search and development of new international cooperation projects.
UNI 23 - UFFCONS	Università degli Studi di Sassari - Piazza Università, 21 Sassari	Ufficio Gestione Consorzi e Società Partecipate - Largo Macao, 32 - 07100 Sassari	3 months	Sept - dic/ feb - may	dott.ssa Katia Manca - Partnerships and subsidiaries Office	Prof. Pier Andrea Serra School of Medicine	Only students enrolled on one of the following courses may apply: Economics, Law, Political Sciences. Language skills requested: B1 in English Advisable. ICT proficiency: Working knowledge of basic software packages (Office)"	Identification of international cooperation calls. Creation of project budget; calls analysis and communication.
UNI 24 - CDE	University of Sassari Piazza Università 21 - 07100 Sassari www.uniss.it	European Documentation Centre - University Library System Viale Mancini, 1 - 07100 SASSARI	3 months (extensible)	Sept. - Dec. / Feb. - Apr.	Dott.ssa Magda Sanna - Librarian Manager at the EDC Ph. 079228763 Library contact person: Dott.ssa Francesca Madrau	Prof.ssa Silvia Sanna - Academic Head of the European Documentation centre	Only Library, Archive and Information Science students may apply. Language proficiency: B1 language level in Italian; B1 language level in English ICT proficiency: Working knowledge of basic software packages (Office)	The intern will cooperate in the office/library activities. Main tasks will include: - get a deeper knowledge of the Italian EDC network and the University Library System main rules; - knowledge of differences within the Italian bibliographic material (books, journal, online publications); - Application of international standard bibliographic description and cataloguing rules; - Cooperation in searching online institutional publication for the University archive; - Regular assessment made by the tutor

UNI 26	Dept. of Science for Nature and Environmental Resources - University of Sassari www.uniss.it	Herbarium of the University of Sassari, Via Piandanna 4 - 07100 Sassari	3 months	Sept. - Dec. /May - July	Prof. Rossella Filigheddu, Dept. of chemistry, via Piandanna 4 - 07100 Sassari.	Prof. Rossella Filigheddu, Dep. of chemistry via Piandanna 4 - 07100 Sassari.	The applicant should be attending a Bachelor (Undergraduate) or Master (Postgraduate) course in Biological Sciences, Natural Sciences or similar. She/he should have basic theoretical-practical knowledge in the fields of General Botany, Systematic Botany and/or Scientific Museology. We acknowledge also documented experience at Herbaria of other international institutions. Requested Language skills: English, Italian, French or Spanish, level B2	Exsiccation of vascular plants samples collected on the field; determination of both fresh and dry material by using dicotomic keys; implementation of the Herbarium SS database, disinfestation and cleaning of Herbarium exsiccata. Attending internal seminars lectured by local or visiting professors.
UNI 28	LaPArS - Laboratory of Prehistory and Experimental Archaeology. Department of History, Human Sciences and Education	via Zanfarino, 62 07100 Sassari	3 months		Prof. Maria Grazia Melis Department of History, Human Sciences and Education	Prof. Maria Grazia Melis Department of History, Human Sciences and Education	Only PG and PhD students in prehistory and / or proto-history, may apply. B1 language level in Italian	Skill and competence to be acquired: knowledge about raw materials transformation (morphological, technological and functional analysis). Tasks: laboratorial activities, survey, archaeological excavation and experimental archeology activities, stages of prehistoric archeology and archaeozoology.
UNI 29	Department of History, Human Sciences and Education www.uniss.it	via Zanfarino, 62 viale Umberto, 52 07100 Sassari	4 months	September - December	Prof. Maria Grazia Melis Department of History, Human Sciences and Education	Prof. Maria Grazia Melis Department of History, Human Sciences and Education	Only Archaeology and Science of Cultural Heritage students (Ug, Pg, PhD) may apply. Language proficiency: B1 Italian language level	September - October: archaeological excavation conducted in punic sites.  September - October: archaeological excavation conducted in medieval sites.  November - December: Prehistory Laboratory. October-December: participation to conferences.
UNI 30	Laboratory RIPAM (Integrated Researches of Protohistory and Mediterranean Archaeometallurgy)- University of Sassari	Piazza Conte di Moriana 8, 07100 Sassari	3 months	Apr - June	Prof.ssa Anna Depalmas Department of Humanities and Social Sciences (DUMAS)	Prof.ssa Anna Depalmas Department of Humanities and Social Sciences (DUMAS)	Post-graduates and Doctoral students. Basic knowledge in protohistorical archaeology and fieldwork (archaeological excavation, field survey, graphic surveying systems of monuments and drawing of materials). Knowledge of the main softwares for data processing and management (word, excel, access, photoshop, etc...).	Field surveys and archaeological excavation; graphic surveys of monuments and drawing of materials; support for the experimental archaeo-metallurgical activity, data base and digital processing of texts and drawings.
UNI 31	Univerità degli studi di Sassari <a href="http://www.uniss.it">www.uniss.it</a>	Development, Organization and Innovation Office Piazza Università 21 - 07100 Sassari	Minimum 3 months	All year except August 2019	Salvo Mura, Head of Office	Prof. Luca Deidda Vice Rector	The required profile includes: basic knowledge of the principles of work organization, process mapping and reengineering (Business Process Reengineering), cost analysis (Cost Analysis and Activity Based Cost), efficiency and effectiveness, customer satisfaction. All activities will be carried out in line with the specific objectives set out in the performance plan for the three-year period 2019-2021. Basic knowledge of Italian, but English and French are a plus.	The programme provides for the presence and support of the institutional activities of the development, organisation and innovation office in line with the objectives set out in the strategic plan. The processes considered critical and strategic for the University's activities will be analysed and, if necessary, re-engineered.

UNI 32	University of Sassari University Library System - G. Olives Law Sciences Library www.uniss.it	Piazza Università 21 - 07100 Sassari	3 months	September - December / Feb. March	dott.ssa Valeria Nicotra Director of the G. Olives Law Sciences Library - tel +39 079228893	Prof. ssa Rosanna Ortu - President of the G. Olives Law Sciences Library	Only students enrolled on a librarianship and archivist course may apply. Language skills required: B1 in Italian and in one of the following languages: English, French, Spanish.	The training is aimed at acquiring knowledge and expertise on the organisation and management of the library: planning and organising user services, knowledge of documents assets, digital services and law library-related front desk activities.
UNI 33	University of Sassari - Piazza Università 21 - 07100 sassari www.uniss.it	Department of Chemistry and Pharmacy.  Address: Via F. Muroi 23/A, 07100 Sassari	3 Months (extensible)	September- November /January - April	Dr. Gabriele Murineddu, Department of Chemistry and Pharmacy. Address: Via F. Muroi 23/A, 07100 Sassari	Dr. Gabriele Murineddu, Department of Chemistry and Pharmacy. Address: Via F. Muroi 23/A, 07100 Sassari, Administrative contact person: ott.ssa Carla Urgeghe	Applicants must possess one of the following titles: Master's level degree in Pharmaceutical Studies, or Pharmaceutical Chemistry and Technologies. Theoretical and practical knowledge of Organic, Heterocyclic and Medicinal Chemistry, and skill in main spectroscopic and analytical methods. Language proficiency: B1 language level in English A2 language level in Italian	Synthesis and structure-activity relationships of novel heterocyclic compounds with potential biological activity
UNI 34	University of Sassari Piazza Università 21, 07100 www.uniss.it	Department of Surgical and Experimental Medical Sciences, Pharmacology v.le S Pietro 43/B Sassari	3 months (Can be extended)	September/De cember- February, Marc h/April/June	Professor Rossana Migheli	Dr Rossana Migheli School of Medicine	Only students enrolled on one of the following courses may apply: Biological Sciences; Pharmacy. Basic knowledge of laboratory activities and the main computer packages. Knowledge of English language: B1. Knowledge of Italian language: A2	The trainee will take part in studies focused on the antioxidant activity of nutraceuticals on neuronal and/or epithelial cells.
UNI 35	Department of Veterinary Medicine university of Sassari: www.uniss.it	Via Vienna, 2 - 07100 Sassari (ITALIA) Erasmus coordinator: Framncesca Mossa.	From 1 to 9 months	All year round	Lucia Manunta, Director of the Veterinary Teaching Hospital	Prof. Francesca Mossa Erasmus delegate, Dip.of veterinary Medicine	Vet students in their third or 4th year, and students graduated in Veterinary Medicine may apply. A2 language level in Italian and B1 language level in English	The trainee will cooperate in all activities daily carried out at the Veterinary Teaching Hospital. The traineeship will be equally divided among internal medicine, surgery, critical care, emergency medicine, organized in both day and night shift.
UNI 36	University of Sassari Piazza Università 21, 07100 www.uniss.it	School of Medicine, Department of Clinical and Experimental Medicine - Internal Medicine / Endocrinology	three months	September - November	Giuseppe Fanciulli School of Medicine	Giuseppe Fanciulli School of Medicine	Only Medicine students with the following knowledge may apply: basic knowledge of General Endocrinology. Language skills: B1 Italian or English knowledge	Clinics: General Endocrinology; Neuroendocrine Tumours; Pituitary Diseases. Case discussion in MDT (Multi Disciplinary Team)
UNI 37	University of Sassari Piazza Università 21, 07100 www.uniss.it	School of Medicine Department of Surgery, Microsurgery and Medicine Sciences	three months	March-May October- December February-April	Prof. Gianfranco Meloni School of Medicine	Prof. Gianfranco Meloni School of Medicine	Only Medicine students with the following knowledge may apply: basic knowledge of type 1 diabetes and celiac disease. Working knowledge of one of the following languages: Italian, English, French or Spanish.	Diagnosis and follow up of pediatric and adolescent patients with type 1 diabetes and celiac disease.

UNI 38 - NRD	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Desertification Research Centre Address: viale Italia 39 07100 Sassari <a href="http://www.uniss.it/php/nrd.php">http://www.uniss.it/php/nrd.php</a>	3 months (extensible)	September/ december - Feb.- March	Prof Luciano Gutierrez Desertification Research Centre Department of Agriculture	Prof Luciano Gutierrez Desertification Research Centre Department of Agriculture	Only PG Agricultural Science, Economics may apply. Language proficiency: B2 language level in English; ICT proficiency level: Windows OS applications (Microsoft Office package)	The internship activities will include: cooperation in the framework of the project FLOWERED, project monitoring activities, database and data-entry, editing technical economics reports.
UNI 39 - NRD	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.itUniversity of Sassari	Desertification Research Centre Address: viale Italia 39 07100 Sassari <a href="http://www.uniss.it/php/nrd.php">http://www.uniss.it/php/nrd.php</a>	3 months (extensible)	September/ december / Feb. - March	Prof Luciano Gutierrez Desertification Research Centre	Dr. Giovanna Seddaiu Desertification Research Centre Department of Agriculture	Only PhD students with a Master Degree in Agricultural Sciences or Environmental Science may apply. Basic knowledge of soil science and botany are required. Language proficiency: B2 language level in Italian or in Spanish or in English. ICT proficiency level: Windows OS applications (Microsoft Office package)	The internship will provide a deeper knowledge on Mediterranean agro forestry systems with reference to the pasture productivity and Carbon soil dynamic.
UNI 41	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.itUniversity of Sassari	Drugsotres authorized by the Pharmacist's Association: <a href="http://dcf.uniss.it/ws.phpmod=papers&amp;artid=2">http://dcf.uniss.it/ws.phpmod=papers&amp;artid=2</a>	Min. 2, Max. 4 months	All year (to be agreed with the Pharmacy owner)	The institutional tutor will be the Pharmacy owner	Prof.ssa Elisabetta Gavini Department of Chemistry and Pharmacy, via Muroli 23, 07100 Sassari.	PG students in Pharmacy or UG students attending the last year of a Pharmacy course, with a very good level of Italian (B2/C1).	The trainee will be involved in the practical activities usually carried out in a Pharmacy. For more information: <a href="http://dcf.uniss.it/ws.php?mod=papers&amp;artid=2">http://dcf.uniss.it/ws.php?mod=papers&amp;artid=2</a> .
UNI 42	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Department of Surgery, Microsurgery and Medicine Sciences,	three months	March-May October- December February-April	Prof. Andrea Fabio Manunta	Prof. Andrea Fabio Manunta School of Medicine	Basic knowledge of rehabilitation in patients affect by disease of joint like hip, knee, shoulder, spine. Working knowledge of one of the following languages: italian, english, french or spanish.	Clinical evaluation and follow up of patients with hip, knee, spine and shoulder disease.
UNI 44	University of Sassari Address: Piazza Università 21, 07100 Sassari www.uniss.it	Press Office Piazza Università 21, 07100 Sassari www.uniss.it	3 months	September - December / January - April / May - July	Valentina Guido - Press Agent of the University of Sassari	Prof. Rosario Cecaro Dept. Of Communication Science	Only students enrolled on one of the following courses may apply: Communication Science, Journalism Language skills: B1 Italian language level spoken and written; Working knowledge of basic software packages (Office)	Main tasks will include: Working on the daily press review; collaboration in editing press releases regarding the university activities; collaboration in the organization of press conferences; social media editing, social media management, web editing.

UNI 45	Department of Architecture, Design and Urban Planning University of Sassari www.uniss.it	Piazza Duomo,6 07041 Alghero (SS) Phone: +39 0799720415 Fax +39 0799720420 Mail faiferri@uniss.it	2-6 months	all year except July/August	Prof. Massimo Faiferri Facoltà/ Department of Architecture, Design and Urban Planning ECOURBANLAB http://ils2016.wixsite.c om/uniss http://housi g.aaamaster.it/ Indirizzo: Asilo Sella 07041 Alghero (SS)	Prof. Massimo Faiferri Facoltà/ Department of Architecture, Design and Urban Planning ECOURBANLAB http://ils2016.wixsite.com/uni ss http://housing.aaamaster.it/ Indirizzo: Asilo Sella 07041 Alghero (SS)	Students must be enrolled in one of the following courses: any level in Architecture and Urban Planning; Master programme in Architecture The student must show a special interest in and/or competences for urban space planning with focus on social housing and welfare spaces as well as innovative learning environments and school buildings Required language skills: Good competences in at least one of the following languages: Italian, English, Spanish or Portuguese knowledge of digital graphic programmes; Windows (PC) and/or OS (Mac), Microsoft Office package, Autodesk AutoCAD, Adobe Photoshop, Adobe Illustrator, Adobe Indesign Minimum knowledge of: Autodesk 3ds Max, Rhinoceros and management of websites	The traineeship consists of the participation in laboratory activities for projects, research and scientific promotion. And/Or in planning, organising and preparation of graphics for the website and other machinery of Ecurbanlab.
UNI 46 - Orientation/Job Placement	Università degli studi di Sassari - Piazza Università 21 - 07100 Sassari www.uniss.it	Ufficio Orientamento e Job Placement via Arborea 40b 07100 Sassari	3-6 months (extensible)	All year	Dr. Giovanni Battista Sechi Head of the Job Placement and Orientation Office glsechi@uniss.itDr.	Prof.ssa Rossella Filigheddu Rector's Delegate for Students' Orientation and Job Placement	Students enrolled on a humanities UG/Pg Course may apply. Good communicative and relational qualities required. Computer skills: good knowledge of the Office package, familiar with the use of the Internet. Language skills: Italian B2, English B2.	The trainee will collaborate in carrying out the activities of the orientation office as: - desk activities for Italian and foreign students; - organisation of cultural events; - support activities in the management of administrative practices.
UNI 47	Department of architecture and urbanistical design Address: Via Piandanna 4, 07100 Sassari	Università degli Studi di Sassari. Address : Piazza Università 21, 07100 Sassari	3 months (extensible)	September - December /February - may	Prof. Vincenzo Pascucci; Department of Architecture, Design and Urban Planning University of Sassari	Prof. Vincenzo Pascucci; Department of Architecture, Design and Urban Planning University of Sassari	Student doing a degree in Earth Sciences or Geology (preferably Master degree). Competences in Sedimentology, Quaternary Geology and absolute age dating. Knowledge of English and of the main Windows softwares.	Absolute age dating with luminescence on quartz (OSL) and feldspar (postIRIR)
UNI 49	Università degli Studi i Sassari Address: Piazza Università 21, 07100 Sassari	Department of Chemistry and Pharmacy Address: Via Vienna 2, 07100 Sassari	3 months (extensible)	Sept-Dic/ Feb-May	Dr Nadia Spano Department of Chemistry and Pharmacy Address: Via Vienna 2, 07100 Sassari	Dr Nadia Spano Department of Chemistry and Pharmacy Address: Via Vienna 2, 07100 Sassari	Candidates could be PhD students in Chemistry, or could be students of Master Degree having a Bachelor Degree in Chemistry. Required language skills: English B2-B1.	Development, validation and application of chromatographic, potentiometric and spectrophotometric methods for the qualitative and quantitative analysis of different analytes in real samples.

UNI 50	Università degli Studi di Sassari Indirizzo: Piazza università 21, 07100 Sassari	PianoResearch, technology transfer and third mission area - Funzione Public Engagement Viale San Pietro 43/B 3°	3 months (extensible)	all year round, except July and August	Giuseppe Demuro, Public Engagement Officer  email: gdemuro@uniss.it Giuseppe Demuro, Public Engagement Officer	prof. Two students or inters could be considered to collaborate to work together in this project. We encourage students with some knowledge of Italian language because this project involves interaction with local communities.	The main goal of this Erasmus stage is to contribute to build up on Cultural Ecosystems Services knowledge linked to Sardinian coastal and lagoon ecosystems.
IMC 3	Fondazione IMC International Marine Centre Onlus <a href="http://www.fondazioneimc.it">www.fondazioneimc.it</a>	Località Sa Mardini Torregrande 09170 Oristano	Minimum 8 months	minimum 8 months (from april/may 2019 to december 2019)	David Cabana Phd.	to be defined	Only MSc thesis candidates or students would be considered for this position. The candidate should be enrolled in a bachelor or MSc UG/PG marine-coastal ecosystems. Disciplines: Environmental Sciences, Biological Sciences, Natural Sciences. Languages: English (B2) and Italian (B1).	The main goal for this Stage/MSc thesis is to contribute to the first description of the benthic communities in the coastal lagoon of S'Ena Arrubia and their Ecological Quality Status. The work involves, field work, benthic taxonomy, data analysis and manuscript preparation. The supervisors will support the student to prepare a manuscript for further publication on a peer review journal.

Knowledge of the English language level B2 Knowledge of the Italian language level B1	Breeding of bivalve molluscs. Participation in field and laboratory activities, with the aim of identifying suitable sites for breeding bivalves and improving their production through the study of methods and equipment.
IAS 1	IAS CNR Oristano	Località Sa Mardini 09170 Torregrande Oristano	4 months	June - September	Dr. Giovanni De Falco	Prof. Vincenzo Pascucci Dept. Of Architecture, Design e Urban Planning University of Sassari	Students enrolled in Earth Sciences, Marine geology; English language skills, knowledge in cartography programmes and Gis Applications.	Analysis of geophysical marine data: seismic graphs, digital models of the bottom of the sea. Laboratory analysis of marine sediments. Analysis of oceanographic coast data.
IAS 2	IAS CNR Oristano	Loc. Sa Mardini, Torregrande Oristano -	3 months	April-July; September- December; February-May	dr. Alessandro Conforti	Prof. Vincenzo Pascucci Dept. Of Architecture, Design e Urban Planning University of Sassari	Students enrolled in Geology, Environmental Sciences, Environmental engineering. English language skills. A minimum knowledge of cartography programmes and Gis applications.	Applications in the management of database information on natural geology and ecology. Elaboration of geophysical data: bathymetry, seismic reflection. Use of GPS RTK systems.
IAS 3	IAS-CNR Oristano	Loc. Sa Mardini, Torregrande Oristano -	3 months (renewable)	July-December	Paolo Domenici	prof.ssa Antonella Luglié	Students enrolled in Bachelor's degree in Biology (Marine Biology), including Marine Sciences, Environmental Sciences, Natural Sciences, Biological Sciences, Veterinary School. Working knowledge of English. Familiarity with aquaria and marine animals.	Experimental activities on the effect of environmental factors (for example temperature, oxygen, acidification) on the movement, metabolism and behaviour of marine organisms.

TAMALACA	<p>Department of Architecture, Design and Urban Planning - University of Sassari Palazzo del Pou Salit - Piazza Duomo 6, 07041 Alghero (SS). Headquarter: c/o L'ultimo Spettacolo, Corso Trinità 161 - 07100 Sassari (SS). www.tamalaca.com</p>	<p>TaMaLaCà –TuttaMiaLaCittà, a Research and Action Group, Innovative Start-up and Spin-off of Department of Architecture, Design and Urban Planning of the University of Sassari, is a multidisciplinary group of researchers and practitioners who, since 2005, is conceiving and carrying out a number of tactical extra-small policies and projects, aimed at promoting quality of urban life of disadvantaged group of inhabitants, with the support of municipalities, and through citizens' engagement processes. Palazzo del Pou Salit - Piazza Duomo, 6 07041 Alghero (SS)</p>	03 (or more months)	All year	<p>Ing. Valentina Talu TaMaLaCà –TuttaMiaLaCittà CEO.</p>	<p>Prof. Arnaldo Cecchini Administrative representative contact: Dr. Barbara Silveri</p>	<p>The candidate must demonstrate that has sensibility and expertise in the design, development and management of projects related to the field of unconventional communication, sensitive languages, towards inclusion and involvement oriented processes and projects. Creative thinking which requires a curious, open-minded, flexible, divergent, explorative, investigative approach; Critical thinking which requires questioning, clarifying, planning, analyzing, examining and testing information and ideas; Reflective thinking which requires a metacognitive approach, seeking and considering feedback, reflecting on progress and processes, making links and connections with broader issues and the work of others. School / University origin: Communication and Media, Fine Arts, Architecture and Urban Planning Language skills: English: B1 level; Italian: B1 level. Technical skills: Microsoft Office, Photoshop/ Corel draw, Illustrator, Indesign, After effects, Premiere. Resources include: computers; printers; web access; a range of software tools including applications to support the creation and manipulation of text, graphics and images; and input devices such as scanner, digital camera and tablet.</p>	<p>Participation in all stages of Tamalacà activities, like observation and urban microtransformation, but also in order to create a collective and educational awareness moment and put in touch of know-how and insurgent creativity to push the different participants, through some playful-participatory actions, to redevelop/recovery and multiply/increase public spaces-prêt-à-porter and an opportunity to become involved in civic, social and cultural transformation, according to these 5 macro areas: 1. Urban Regeneration: Creation, design and accompanying of policies, plans and urban regeneration projects in disadvantaged neighborhoods based on the promotion of active processes of inclusion and social innovation. 2. Play and participation: Creation of games, events and stories for the cities and territories playful learning; co-creation of inclusive decision-making paths and training with unconventional methods and tools, related with particularly relevant or conflicting urban issues and problems. 3. Tactical urbanism: design of scalable, short-term and low-cost, actions aimed at producing long-term transformations. 4. Inclusive design: Design of methods and tools for the involvement of human diversity in the design process, based on the of Design for All principles, with particular attention to public services and to sensitive areas, and at the neighborhood level (streets, parks and green space, schools, canteens, libraries, entertainment and game centers and rooms, museums, etc.). 5. Unconventional urban communication: creation, design and implementation of inclusive, innovative and viral urban communication campaigns. Participation in training seminars and workshop and in Tamalacà research and laboratories, with the methodology that we used to complete our projects as a "team work", understood as a set of individuals with singular expertise, experience, creativity and sensitivity that are compared critically in order to find solutions that are actually transdisciplinary and consider the original problems in their real complexity. Regular assessment of progresses made by the tutor.</p>
